Docket No. PDC-102

**ASSIGNMENT OF UNITED STATES PATENT APPLICATION**

Whereas, Anthony E.B. Goodfellow (hereinafter referred to as the "Inventor"), has invented certain new and useful improvements (hereinafter referred to as "Invention"), which have been covered by a U.S. patent application, the identity of which is listed below:

**Application Serial No. : 10/659,446**

**Filed: September 9, 2003**

**Entitled: COMBINATION VIDEO MONITOR AND DETACHABLE PICTURE FRAME**

Whereas Pacific Digital Corporation, a California corporation, having a principal place of business at 2052 Alton Parkway, Irvine, California 92606 (hereinafter referred to as "Assignee") wishes to acquire all of the Inventor's right, title and interest in and to said Invention and the patent application therefor;

Now, therefore, in consideration of the sum of One Dollar (\$1.00) or other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, said Inventor has sold, assigned, and transferred and by these presents does sell, assign, and transfer unto Assignee and to its successors, legal representatives and assigns, the Inventor's entire right, title and interest in and to said Invention and in and to said patent application for the territory of the United States of America and for all foreign countries, as well as any continuations, divisions, reissues or reexaminations thereof, said Invention and patent application to be held and enjoyed by the Assignee for its own use and enjoyment and for the use and enjoyment of its successors,

legal representatives and assigns, to the full end of the term for which U.S. Letters Patent on same will be granted, as fully and entirely as the same would have been held by the Inventor had this Assignment and sale not been made.

Said Inventor hereby covenants that he has the full right to convey the interest herein assigned, and that he has not executed, and will not execute, any agreement in conflict herewith.

Said Inventor further covenants and agrees that he will communicate to the Assignee and its successors, legal representatives and assigns, any facts known to him respecting said Invention, and testify in any legal proceeding, sign all applications, make all rightful oaths, and, at no expense to himself, do everything reasonable to aid the Assignee and its successors, legal representatives and assigns to obtain and enforce proper patent protection for said Invention in all countries.

Said Inventor acknowledges that this Invention is not subject of any employment agreement as defined under the provisions of Section 2870 of the California Labor Code, which states that:

Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

1. Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably

anticipated research or development of the employer.

2. Result from any work performed by the employee for the employer.
