PATENT ASSIGNMENT

WHEREAS PALIGENT INC., formerly HeavenlyDoor.com Inc., a corporation organized and existing under the laws of the State of Delaware and having its principal office at 10 East 53rd Street, 33rd Floor, New York, New York 10022 ("Assignor"), is the sole owner of the entire right, title and interest in the patents and patent applications listed in Schedule A, attached hereto; and

WHEREAS, Indevus Pharmaceuticals, Inc., a corporation organized and existing under the laws of the State of Delaware and having its principal office at 99 Hayden Avenue, Suite 200, Lexington, Massachusetts 02421 ("Assignee"), is desirous of acquiring the entire right, title and interest in and to the inventions disclosed or claimed in said patents and patent applications, and in and to any and all Letters Patent of the United States and any foreign countries which may be obtained therefore;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto the Assignee, its legal representatives, successors, and assigns, the entire right, title and interest in and to said patents and patent applications, including the right to sue for past infringement, as set forth in the above-mentioned Exhibit A and the inventions disclosed or claimed therein, including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and to any and all Letters Patents of the United States and any foreign countries which may be issued for said inventions;

Assignor also hereby agrees with the said Assignee that Assignor will not execute any writing or do any act whatsoever conflicting with these presents, and that it will, at any time upon request without further or additional consideration but at the expense of said Assignee, execute such additional assignments and other writing and do such additional acts as said Assignee may deem necessary or desirable to perfect said Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said inventions, and in enforcing any rights or causes in action accruing as a result of such applications or patents, by giving testimony in any proceeding or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind assigns and legal representatives of Assignor and inure to the benefit of the assigns and legal representatives of Assignee;

Assignor requests the Director of Patents and Trademarks to issue Letters Patents of the United States (or, for any and all foreign countries, any foreign national patent granting authority) which may be granted for said inventions to said Assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patents and the inventions covered thereby.

IN TESTIMONY WHEREOF, We have hereunto set our hands.
