ASSIGNMENT

WHEREAS, we, Michael Dolan, Joel F. Jensen, Russell Mead and Alla Shapira have invented a certain new, original, and ornamental design disclosed in an application for United States Letters Patent entitled LOCK BOX SYSTEM, filed November 5, 2003, as Application Serial No. 29/193,260.

AND WHEREAS, Rapattoni Corporation, having a business address at 98 West Cochran Street, Simi Valley, California 93065, a California corporation (hereafter, together with any successors, legal representatives or assigns thereof, called "Assignee") wants to acquire the entire right, title and interest in and to said improvements and application and any patent which may be granted thereon:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to Assignee our entire right, title and interest in and to said improvements, and said applications and all divisions, substitutions, continuations and continuations-in-part thereof, and all United States Letters patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements in any foreign countries, and all patents (including all extensions, renewals and reissues thereof) granted for said improvements in any foreign countries; and we hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said improvements to Assignee in accordance with the terms of this assignment;

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, an agreement in conflict herewith;

AND WE HEREBY further covenant and agree that we will communicate to Assignee any facts known to me respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for said improvements in all countries.
