## ASSIGNMENT OF INVENTION

---

In consideration of the payment by **ASSIGNEE**, Frers Srl, having a place of business at Via S. Paolo, 1, Milano 20122, Italy, to **ASSIGNOR**, German Frers, residing at Via San Giovanni sul Muro, 4, Milano 20121, Italy, the sum of one Dollar (\$1.00), the receipt of which is acknowledged, and for other good and valuable consideration, **ASSIGNOR** sells, assigns and transfers to **ASSIGNEE** and Assignee's heirs successors, assigns and legal representatives, the entire right, title and interest for the United States of America, as defined in 35 U.S.C. §100, and for all other countries, in the invention; in all applications for patent or similar rights on the invention, said applications including any and all provisional, non-provisional, continuation, continuation-in-part, divisional, confirmation, substitute and reissue, re-examination and renewal application(s), including any application(s) filed in any country based thereon, and including the right to file foreign applications under the provisions of any treaty or convention; and in all grants, such as Letters Patent, certificates, utility models, confirmations, extensions, reissues and reexamination certificates that may be granted in the U.S. and in all other countries on the invention, known as:

*Boat*

and which is found in United States Patent Application Serial No. 29/216093, filed October 29, 2004:

**ASSIGNOR** covenants that **ASSIGNOR**:

1. Neither made nor will make an assignment, sale, agreement or encumbrance which conflicts or would conflict with this assignment;
2. Upon request, promptly will provide **ASSIGNEE** with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to **ASSIGNOR** and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to **ASSIGNEE** or its legal representatives

any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof;

3. Upon request, promptly will execute all papers necessary in connection with any application and any continuing, divisional or reissue applications for the invention, and any patent(s) issuing thereon, and also to execute separate assignments in connection with such applications and patents as **ASSIGNEE** may deem necessary;
4. Upon request, promptly will execute all papers necessary in connection with any interference which may be declared concerning any application or continuation or division thereof, or any patent or reissue application based thereon, for the invention, and to cooperate with **ASSIGNEE** in every way possible in obtaining evidence and going forward with such interference;
5. Upon request, promptly will execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements;
6. Upon request, promptly will perform all affirmative acts which may be necessary to obtain, maintain or confirm by reissue or reexamination a grant of a valid United States patent to **ASSIGNEE**;
7. Authorizes and requests the Commissioner of Patents to issue any and all Letters Patents of the United States resulting from said application(s) to **ASSIGNEE**, as **ASSIGNEE** of the entire interest; and
8. Grants William A. Bonk, III, Reg. No. 40,521, the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
