ASSIGNMENT OF PATENT

This ASSIGNMENT OF PATENT (the "Assignment") is made effective this /b day of DEC, 2004 (the "Effective Date"), by and between GARY D. HUNT, an individual resident of the State of California ("Assignor"), and LYMAN PRODUCTS CORPORATION, a Connecticut corporation ("Assignee"), with reference to the following facts:

RECITALS

- Assignor is the inventor of U.S. Patent No. ______ entitled "Inert Practice Round with Solid Body" (the "Patent"), and the underlying inventions and all intellectual property rights associated with the Patent (the "Associated Rights").
- Assignor and Assignee are parties to that Agreement for Purchase and Sale of Assets dated February 2001 (the "Purchase Agreement") pursuant to which Assignee acquired certain assets of Ready Products Corporation.
- C. Pursuant to the Purchase Agreement and a Technology License Agreement related thereto, Assignee received an exclusive, worldwide license of Assignor's rights under the application for the Patent and, if and when issued, all rights under the Patent in exchange for the payment of royalties to Assignor for three years following the closing of the transactions contemplated by the Purchase Agreement (the "Royalty Period"). Section 17 of the Purchase Agreement provides that, at the expiration of the Royalty Period and upon Assignee's written request, Assignor shall assign ownership and all rights under the Patent to Assignee pursuant to this Agreement.
- D. On MARCH 24th, 2004, Assignee delivered to Assignor the written request specified in Section 17 of the Purchase Agreement requesting assignment of the Patent pursuant to this Assignment.
- NOW, THEREFORE, in consideration of the Purchase Agreement, the above Recitals and other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the parties agree as follows:

AGREEMENT

- Assignment. Assignor hereby assigns and transfers to Assignee all of Assignor's right, title and interest to and in the Patent and Associated Rights.
- 2. Effective Date. This Assignment shall be effective as of the Effective Date set forth above.
- Further Assurances. Assignor agrees to execute all instruments and documents and take all actions as may be reasonable required to effectuate this Assignment, including without limitation to execute all rightful oaths, assignments, powers of attorney and other documents which are necessary for vesting title to the Patent and the Associated Rights in Assignee. Assignee shall be responsible for preparation of all such documents, and any and all
