ASSIGNMENT

WHEREAS, WE, Michael J. Seiver and Donald H. Green, citizens of USA and USA, respectively, and residents of Houston, Texas and Freeport, Texas, respectively, have made an invention in APPARATUS AND METHOD FOR FILLING LIQUID CONTAINERS for which we have executed an application for United States Letters Patent on the 6th day of OCTOBER, 2003, and the 6th day of OCTOBER, 2003, respectively:

WHEREAS, We represent and warrant that we are together the owners of the entire right, title and interest in and to said invention and application for Letters Patent:

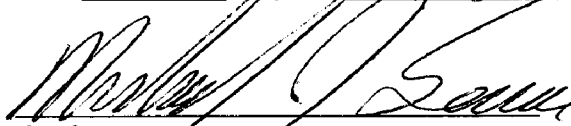

WHEREAS, Specialty Equipment Conveyor Company, of Houston, Texas, is desirous of acquiring the same:

NOW, THEREFORE, for and in consideration of Ten Dollars (\$10.00) and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by us, we have assigned, sold, transferred and set over and by these presents do assign, sell, transfer and set over unto said Specialty Equipment Conveyor Company, the right, title and interest in and to (a) said invention and world-wide rights therein, (b) said application, including all divisions, continuations, continuations-in-part and substitutions thereof, and (c) all United States and foreign patents which shall issue on said invention, including all reissues, renewals and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file applications for Letters Patent on said invention in any and all foreign countries, the same to be held and enjoyed by said Specialty Equipment Conveyor Company, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by us, had this assignment and sale not been made.

Each of us covenants and agrees that he will, at any time upon the request and at the expense of said Specialty Equipment Conveyor Company execute and deliver any and all papers and do all lawful acts that may be necessary or desirable, in the opinion of said Specialty Equipment Conveyor Company, to enable and assist said Specialty Equipment Conveyor Company, to (a) obtain Letters Patent, both domestic and foreign, on said invention, (b) establish, maintain and secure title in said APPARATUS AND METHOD FOR FILLING LIQUID CONTAINERS, its successors and assigns, to said invention, application and Letters Patent, including making such title of lawful public record, and (c) defend, establish or otherwise preserve the validity of said Letters Patent against any and all infringers, and perform such other acts as are necessary to give full force and effect to this assignment.

We hereby authorize and request the Commissioner of Patents of the United States to issue all Letters Patent based on said application and all said divisions, continuations, continuations-in-part, reissues, renewals and extensions to said Specialty Equipment Conveyor Company, its successors and assigns.

IN TESTIMONY WHEREOF, We have duly executed this assignment this 6th day of OCTOBER, 2003 and this 6th day of OCTOBER, 2003, respectively.
