ASSIGNMENT

WHEREAS, I, Richard B. Roussy, citizen of Canada, whose full post office address is 54 Deer Valley Crescent, London, Ontario, N6J 4K6, Canada, (hereinafter referred to as the "Assignor") has made certain inventions and discoveries disclosed in a patent application entitled "PATIENT BED WITH CPR SYSTEM" (hereinafter referred to as the "Application(s)");

AND WHEREAS, Carroll Hospital Group Inc., whose full post office address is 994 Hargrieve Road, London, Ontario, N6E 1P5, Canada, (hereinafter referred to as the "Assignee") is desirous of acquiring the entire right, title, and interest in and to said inventions and discoveries, and in and to the Application(s) inclusive of any and all priority rights derived therefrom for any and all countries in the world, and in and to any and all Letters Patent issuing in any and all countries in the world, to be granted for said inventions and discoveries based on any or all of said Application(s) or on patent applications filed in any country claiming priority to any or all of said Application(s);

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I the assignor, do hereby sell, assign, transfer, and set over unto the Assignee, its successors and assigns, my entire right, title, and interest in and to the inventions and discoveries disclosed in the Application(s), and in and to the Application(s) and any continuations or divisions thereof and all priority rights derived therefrom, and in and to any and all patent applications and any continuations or divisions thereof filed in any country claiming priority to any of the Application(s), and in and to all Letters Patent which may be granted upon the Application(s) or upon patent applications filed in any and all countries in the world claiming priority to any of the Application(s), and in and to any and all reissues, substitutions, or prolongations thereof; the same to be held and enjoyed by the Assignee for its own use and behoof, and for the use and behoof of its successors and assigns, to the full end of the term or terms for which said Letters Patent, or reissues, substitutions, or prolongations thereof may be granted, as fully and entirely as the same would have been held and enjoyed by me had this assignment and sale not been made;

AND I hereby agree that, upon request, and without further consideration, but at the expense of the Assignee, I will communicate to the Assignee or its representatives or nominees any facts known to me respecting said inventions and discoveries and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths and generally aid the Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protect for said inventions and discoveries in all countries, and I further agree to execute any and all further papers which may be necessary or desirable to vest or perfect the title of the Assignee, its successors and assigns, in and to said inventions and discoveries, and in and to any and all

Letters Patent or reissues thereof which may be granted upon applications in any and all countries in the world;

AND I hereby authorize and request any official whose duty it is to issue patents to issue each and every Letters Patent to be granted upon the aforesaid applications in any and all countries, and each and every reissue of said Letters Patent, to the Assignee, its successors and assigns, as the assignee of my entire right, title and interest therein, in accordance with this assignment.

SIGNED at London, Ontario, this 23rd day of June, 2004.
