ASSIGNMENT of U.S. and Foreign Patent Rights

Atty. Docket: 2540-0631

(Inventors) **Robert L. Gilgen**

In consideration of the sum of one dollar (\$1.00) and other good valuable considerations paid to each of the undersigned, the undersigned agree(s) to assign, and hereby does assign, transfer and set over to AVOCENT CORPORATION ("Avocent"), a corporation of Delaware, having an office and place of business at 4991 Corporate Drive, Huntsville, Alabama, the undersigned's entire right, title and interest in the invention, all applications filed therefor for patent in the United States and in foreign countries (including divisional applications, continuation applications, continued prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexamination applications, extensions, and all other patent applications that have been or shall be filed on the invention), all Letters Patent (including original patents, reissued patents, reexamination certificates, and extensions) which may be granted therefor in the United States and in foreign countries, and all rights of priority resulting from the filing of any such application, for the invention known as:

(Title) **VIDEO COMPRESSION NOISE IMMUNITY**

for which the undersigned has executed on even date herewith an application for patent in the United States of America ("the U.S. Application").

The undersigned acknowledges an obligation of assignment of this invention to Avocent at the time the invention was made.

The undersigned agrees to execute all papers and documents necessary in connection with the application or any interference which may be declared and any provisional-completion, utility, design, continuing or divisional applications thereof and also to execute separate assignments in connection with such applications as Avocent may deem necessary or expedient and further to perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

The undersigned agrees to perform all affirmative acts which may be necessary to obtain a grant of valid United States and corresponding foreign patents to Avocent.

The undersigned hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said application or any division or divisions or continuing applications thereof to Avocent, as assignee of the entire interest, and hereby covenants that he has full right to convey the entire interest herein assigned, and that he has not executed and will not execute, any agreement in conflict herewith.

The undersigned hereby grants the firm of DAVIDSON BERQUIST KLIMA & JACKSON LLP the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document. It is understood and agreed that Avocent's attorneys Davidson Berquist Klima & Jackson LLP have represented only Avocent and will continue to represent only Avocent with respect to this invention.

In witness whereof, executed by the undersigned on the date opposite the undersigned signature.
