ASSIGNMENT

Whereas, the undersigned is the owner of United States Patent Number 5,535,753 and United States Patent Number 5,647,369.

Now therefore, in consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, we hereby convey, transfer and assign to EDWARDS LIFESCIENCES CORPORATION (hereinafter referred to as "assignee"), a corporation of Delaware, having a principal place of business at One Edwards Way, Irvine, California, its successors, legal representatives and assigns, our entire right, title and interest throughout the world in the above-mentioned United States Letters Patents, and any and all divisional, continuation and continuation-in-part applications relating to the above-mentioned United States Letters Patents owned by Rutgers (if any) and any and all foreign Patents and Patent Applications owned by Rutgers (if any), corresponding to the above-mentioned United States Letters Patents or any divisional, continuation and continuation-in-part applications thereof, and in any and all Letters Patent of the United States or of any other country which may be obtained on any of said applications, and in any reissue, reexam or extension thereof.

We hereby authorize and request the Commissioner of Patents to record this present assignment of all assigned patents and patent applications to EDWARDS LIFESCIENCES CORPORATION.

For said consideration we hereby agree, upon the request and at the expense of said assignee, its successors, legal representatives and assigns, to execute any and all documentation to effect such assignments and any necessary oath or supplemental oath or affidavit relating thereto, and any application for the reissue, reexam or extension of any Letters Patent that may be granted upon said application that said assignee, its successors, legal representatives and assigns may deem necessary or expedient.
