ASSIGNMENT

In consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Ralf Warnemünde and Dirk Berndt (hereinafter referred to as Assignor(s)) assign(s) to Fraunhofer Gesellschaft zur Förderung der angewandten Forschung e.V. (hereinafter referred to as Assignee), a German corporation, having a principal place of business at Hansastraße 27c, München 80686, Republic of Germany, its successors, legal representatives and assigns, the entire right, title and interest throughout the world in Assignor's(s') invention or improvement in METHOD AND DEVICE FOR DETERMINING THE SPATIAL GEOMETRY OF A CURVED EXTRUDED PROFILE and in the application for Letters Patent of the United States therefor, based on International Patent Application No. PCT/EP02/07121, having an International filing date of June 27, 2002 and further identified as Attorney Docket No. 0329-0051, and any and all other United States applications and applications in any and all countries which Assignor(s) may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States or of any other country which may be obtained or any of

the said applications, and in any division, continuation, reexamination, renewal, reissue or extension thereof.

Assignor(s) hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said Fraunhofer Gesellschaft zur Förderung der angewandten Forschung e.V.

Assignors hereby authorize and request the attorneys of record in said application to insert in this Assignment the date and serial number of said application when officially known.

Assignors warrant that they are the owners of the entire right, title and interest in and to the invention and patent application herein assigned and have the right to make this assignment; and further warrant that there are no outstanding prior assignments, licenses, or other rights whatsoever (including, without limitation, shop rights) in the interest herein assigned.

For said considerations Assignors hereby agree upon the request and at the expense of said Assignee, its successors, legal representatives and assigns, to execute any and all divisional, continuation, reissue and renewal applications for said invention or improvements, and any necessary oath or supplemental oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application that said Assignee,

its successors, legal representatives and assigns may deem necessary or expedient.

For said consideration Assignors further agree upon the request of said Assignee, its successors, legal representatives and assigns, in the event of said application or any continuation or division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof becoming involved in Interference or any other contested matter to cooperate to the best of his/her ability with said Assignee, its successors, legal representatives and assigns in the matters of preparing and executing the preliminary statement or other such document and giving and producing evidence in support thereof. Assignors further agree to perform, upon such request, any and all affirmative acts to obtain said Letters Patent, and vest all rights therein hereby conveyed in the said Assignee, its successors, legal representatives and assigns whereby said Letters Patent will be held and enjoyed by the said Assignee, its successors, legal representatives and assigns to the end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by Assignors if this assignment and sale had not been made.

For said consideration, Assignors also assigns to said Assignee, its successors, legal representatives and assigns the entire right, title and interest in said invention or

improvements for any and all foreign countries and the right of priority for patent and utility model applications in all countries arising under any applicable international convention for the protection of industrial property and/or any internal priority legislation of such countries, and Assignors agree upon the request of said assignee, its successors, legal representatives and assigns to execute any and all documents that shall be required to be executed in connection with any and all applications for foreign Letters Patent thereof, including the prosecution thereof, and to execute any and all documents necessary to invest title in said foreign applications and patents in said assignee.
