Attorney Docket No. 1005.1006

ASSIGNMENT

WHEREAS, the undersigned have made an invention entitled "System and Method for Displaying Radar Data" for which an application for United States Letters Patent was executed in September, 2001; which was filed on August 16, 2001 and assigned Serial No. 09/931,269 and issued on June 1, 2004 as United States Patent No. 6,744,379.

WHEREAS, Applied Concepts, Inc., a corporation existing under the laws of the State of Texas, doing business at 2609 Technology Drive, Plano, Texas 75074 (hereinafter referred to as "Assignee") desires to acquire the entire right, title, and interest in, to and under the above invention and application and any patents which may be granted on said invention in the United States and in any and all foreign countries;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, we do sell, assign, and transfer, unto Assignee, the full and exclusive right, title, and interest in and to any and all patents which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and to any and all divisions, reissues, continuations, and extensions thereof.

We hereby authorize and request the Patent Office of the United States and any and all foreign countries to issue any and all of said patents, when granted to Assignee as the Assignee of our entire right, title and interest in and to the same, for the sole use and enjoyment of Assignee, its successors, and assigns.

Further, we agree that we will communicate to Assignee, or its representatives, any facts known to me respecting said invention, and testify in any legal proceedings, sign all lawful

papers, execute all divisions, continuation, substitution, renewal, and reissue applications, execute all necessary papers to cause any and all of said patents to be issued to Assignee, make all rightful oaths and generally do everything necessary or desirable to aid Assignee, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, we have hereunto set our respective hands and affixed our respective seals on the dates indicated below.
