is desirous of acquiring the entire right, title and interest in and to the aforesaid invention and in and to any  
 Letters Patent of the United States or any foreign country which may be granted therefor;

NOW THEREFORE, for good and valuable consideration the Assignor by these presents do sell,  
 assign, and transfer unto the Assignee, its successors, legal representatives and assigns, the full and exclusive  
 right to the invention as described in said application, and the entire right, title and interest in and to any and all  
 Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all  
 foreign countries and in and to any and all divisions, reissues, continuations and extensions thereof;

AND said Assignor authorize and request the Commissioner of Patents and Trademarks or any other  
 proper officer or agency of any country to issue all said Letters Patent to said Assignee;

AND said Assignor warrant and covenant that I/We have full right to convey the entire interest herein  
 assigned and that I/We have not executed and will not execute any instrument or assignment in conflict herewith;

AND said Assignor agree to communicate to said Assignee or its representatives any facts known to  
 me/us respecting said invention, to execute all divisional, continuation, reissue and foreign applications, sign all  
 lawful documents and make all rightful oaths relating to said invention, and to testify in any judicial or  
 administrative proceeding and generally do everything possible to aid the said Assignee to obtain and enforce  
 said Letters Patent in the United States or any foreign country when requested so to do by said Assignee.

IN WITNESS WHEREOF, I/We have hereunto set my/our hand and seal.
