Attorney Docket No. 0635-0039

Serial No.: 10/258,998

Inventor(s): Stuart Corr and John Charles McCarthy

Filing Date: February 18, 2003

Date of Execution of application:

December 16, 2002

In consideration of One Dollar (\$1.00) and other good and valuable consideration in hand paid, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assign(s) to Ineos Fluor Holdings Limited, a corporation of the United Kingdom, having its principal place of business at First Floor Offices, Queens Gate, 15-17 Queens Terrace, Southampton, Hampshire SO14 3BP, United Kingdom (hereinafter referred to as "assignee"), its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent of the United States, entitled:

REMOVAL OF (HYDRO)HALOALKENE IMPURITIES FROM PRODUCT STREAMS

based on PCT International Application No. PCT/GB01/01920 and identified as Attorney Docket No. 0635-0039 in the offices of Cook, Alex, McFarron, Manzo, Cummings & Mehler, Ltd., 200 West Adams Street, Suite 2850, Chicago, Illinois 60606, and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any division, continuation, reexamination, renewal, reissue or extension of such patents.

The undersigned hereby authorize(s) and request(s) the Commissioner of Patents and Trademarks to issue said Letters Patent to said Ineos Fluor Holdings Limited.

The undersigned warrant(s) that he/she is the owner of the entire right, title and interest in and to the invention and patent application herein assigned and has the right to make this assignment; and further warrant(s) that there are no outstanding prior assignments, licenses, or other rights whatsoever (including, without limitation, shop rights) in the interest herein assigned.

The undersigned hereby authorize(s) and request(s) the attorneys of record in said application to insert in this assignment the date of execution of said application and/or its serial number and filing date.

For said consideration the undersigned hereby agree(s), upon the request, and at the expense of said assignee, its successors, legal representatives and assigns, to execute any and all divisional, continuation and renewal or substitute applications for said invention or improvements, and any application for the reissue or extension or any request for the reexamination of any Letters Patent that may be granted upon said application, and any necessary oath or supplemental oath or affidavit or declaration relating thereto, that said assignee, its successors, legal representatives and assigns may deem necessary or expedient; the undersigned further agree(s) upon request of said assignee, its successors, legal representatives and assigns, in the event that said application or any continuing application thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becomes involved in interference, reexamination or litigation in the courts, to cooperate to the best of his/her ability with said assignee, its successors, legal representatives and assigns in the matters of preparing the executing preliminary statements and other pleadings and documents and giving and producing evidence in support thereof including testimony in either oral or written form; and the undersigned still further agree(s) to perform upon such request any and all affirmative acts to obtain any said Letters Patent, and vest all rights therein hereby conveyed in the said assignee, its successors, legal representatives and assigns to the end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made; and for said considerations the undersigned hereby also assign(s) to said assignee, its successors, legal representatives and assigns the entire right, title and interest in said invention or improvements for any and all foreign countries and the right of priority for patent and utility model applications in all countries arising under any applicable international convention for the protection of industrial property and/or any internal priority legislation of such countries, and the undersigned further agree(s) upon the request of said assignee, its successors, legal representatives and assigns to execute any and all documents that shall be required to be executed in connection with any and all applications for foreign Letters Patent therefor, including the prosecution thereof and litigation relative thereto, and to execute any and all documents necessary to invest title in said foreign applications and patents in said assignee.
