ASSIGNMENT AGREEMENT

Whereas, I, Lazar A. Shifrin a citizen of the United States, residing at 1930 Huxley Ct., San Jose, CA 95125, hereafter referred to as "Applicant", have invented certain new and useful improvements in

ULTRASOUND TRANSMIT BEAMFORMER INTEGRATED CIRCUIT AND METHOD

for which a provisional application for a United States Patent was filed on August 4th, 2003, Application Number 60/492,588 and which disclosed in the subsequent application for United States Letters Patent being executed concurrently, and

Whereas, Supertex, Inc. of Sunnyvale, California herein referred to "Assignee", whose post office address is 1235 Bordeaux Drive, Sunnyvale, CA 94088-3607, is desirous of acquiring the entire right, title and interest in the same.

Now, therefore, in consideration of continuation of the Exclusive License Agreement currently in force to the full end of the term for which said Letters Patent may be granted, and other good and valuable consideration, I, the Applicant, by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to the said invention in the United States and the entire right, title and interest in and to any and all Patents which may be granted therefor in the United States.

I also hereby sell, assign and transfer unto the said Assignee, the entire right, title and interest in and to said invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of said inventions and said applications for Letters Patent in foreign countries, and I further authorize the said Assignee to apply for Letters Patent in foreign countries directly in its own name, and to claim the priority of the filing date of the said application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Patent to said Assignee, of the entire right, title, and interest in and to the same, for his sole use and behoof; and for the use and behoof of his legal representatives, to the full end of the term for which said Patent may be granted, as fully
