ASSIGNMENT

WHEREAS, I, Vincent K. Doll, a citizen of the United States, residing at 123 Nix Road, Liberty, South Carolina 29657, have invented a certain new, original and ornamental design disclosed in an application for Design Patent of the United States titled **MOTORCYCLE FRAME** (hereinafter referred to as "said application"), said application having been executed on even date.

WHEREAS, Rednex, Inc. (hereinafter together with its successors and assigns referred to as "the Assignee"), a South Carolina corporation, having a place of business at 107 Nix Road, Liberty, South Carolina 29657 is desirous of obtaining all intellectual property rights relating to said design and said application; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I have sold, assigned, transferred and set over, and by these presents hereby sell, assign, transfer and set over to the Assignee all right, title and interest in, to and under said design and said application, including the right to apply for a patent in the United States of America and in any and all foreign countries on said design, and any and all other applications for patent on said design, in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part and convention applications based in whole or in part upon said design and any invention embodied thereby, and any and all patents which may issue thereon in the United States and foreign countries and any and all reissues, extensions, renewals, divisions, continuations or continuations-in-part of patents granted for said design or upon said applications, to the full term or terms for which said patent may be issued, and every priority right that is or may be predicated upon or arise from said design, said application and said any patent issuing thereon, the same to be held and enjoyed by the Assignee for its own use and benefit fully and entirely as if the same would have been held and enjoyed by me had this Assignment not been made. I hereby authorize the Assignee to file patent applications in any and all countries on said design in my name, or in its name, or otherwise as the Assignee may deem advisable, under the International Convention or the applicable laws of a particular jurisdiction.

By this Assignment, I have hereby sold, transferred and set over and by these presents hereby sell, assign, transfer and set over to the Assignee all interest in copyright in and to said design, including the right to register said copyright as assignee thereof. I hereby waive my rights of attribution and integrity under 17 USC § 106A with respect to said design, for any and all uses thereof.

I hereby authorize the responsible official of the United States Patent and Trademark Office and the Register of Copyrights, and any official of any other country empowered to issue patents or register copyrights, to record this Assignment, and to issue or transfer all patents, registrations of copyright or any and all indicia of intellectual property rights on said design to the Assignee as owner of all right, title and interest therein, or otherwise as the Assignee may direct, in accordance with the terms of this Assignment.

I hereby represent and warrant that I have the full right to convey the entire right and interest herein assigned, that there are no rights or interests outstanding inconsistent with the rights and interests granted herein, and that I will not execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interests granted herein.

I hereby covenant and agree that I will, upon request of the Assignee, communicate to the Assignee any facts known to me relating to said invention(s) and the history thereof, testify in any legal proceeding, execute all lawful papers, including without limitation all divisional, continuing and reissue applications and all rightful oaths and declarations, and generally do all further acts which may be deemed necessary by the Assignee to obtain and enforce proper patent protection for said design in all countries.

IN TESTIMONY WHEREOF, I have executed this document on the date indicated below.
