ASSIGNMENT

WHEREAS I, the undersigned, David Vosbikian, a U.S. citizen residing at 816 Stanwick Road, Moorestown, New Jersey, 08057, have made a certain new and useful invention as set forth in a design patent application for United States Letters Patent, entitled BROOM AND RAKE TOOL, executed by me on the date of execution of this document, as shown below, and filed concurrently herewith;

AND WHEREAS, Quickie Manufacturing Corporation (assignee herein), a corporation of the State of New Jersey and having an address of 1150 Taylors Lane, Cinnaminson, New Jersey, 08077, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefore;

NOW, THEREFORE, for good and valuable consideration, I do hereby sell, assign, transfer and set over unto Quickie Manufacturing Corporation, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including any continuations, continuations-in-part, divisions, reissues, reexaminations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATION, I hereby agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuation-in-part, reexamined, reissued, or extended Letters Patent of the

United States or of any and all foreign countries on said invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

AND I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Quickie Manufacturing Corporation, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
