<PAGE>

(b) Defense of Claims.

(i) The Purchaser, at its own expense and through counsel chosen by it, may elect to defend against, negotiate, settle or otherwise deal with any Claim which relates to any Losses; and if it so elects, it shall, within 30 (thirty) Business Days after receiving notice of Claim (or sooner, if the nature of such Claim so requires), notify the Indemnified Party of its intent to do so, and such Indemnified Party shall cooperate fully in the defense, negotiation or settlement of any such Claim. After notice from the Purchaser to the Indemnified Parties of its election to defend against, negotiate, settle or otherwise deal with any such Claim, Purchaser shall not be liable to the Indemnified Parties under this Agreement for any legal or other expenses subsequently incurred by the Indemnified Parties in connection with the defense, negotiation or settlement thereof; provided, however, that all Indemnified Parties shall have the right to collectively employ one (and only one) counsel to represent such Indemnified Parties in respect of such Claim hereunder (which counsel shall be reasonably acceptable to the Purchaser) if, in the reasonable opinion of counsel to the Indemnified Parties, a conflict of interest between the Indemnified Parties and the Purchaser may exist in respect of such Claim that would make such separate representation advisable, and in that event (x) the reasonable fees and expenses of such separate counsel shall be paid by the Purchaser and (y) each of the Purchaser and the Indemnified Parties shall have the right to direct its own defense in respect of such Claim; provided, further, that the Purchaser shall not be required to pay for more than one additional counsel (excluding local counsel) for Indemnified Parties in connection with any Claim hereunder. The parties hereto agree to cooperate fully with each other in connection with any Claims hereunder. If the Purchaser elects not to defend against, negotiate, settle or otherwise deal with such Claim, or fails to notify the Indemnified Parties of its election within thirty (30) Business Days after request by the Indemnified Parties to assume the defense of any such Claim, the Indemnified Parties may assume control of the defense of such Claim at Purchaser's expense. Notwithstanding anything in this Section 2.6 to the contrary, neither the Purchaser nor the Indemnified Parties may, without the prior written consent of the other party, settle or compromise any such Claim or permit a default or consent to the entry of any judgment unless the claimant and such party provide to such other party an unqualified written release from all liability in respect of such Claim, and such settlement or compromise does not materially and adversely impair the ability of the Indemnified Parties to conduct their respective businesses, and does not contain any admission of wrongdoing on the part of any of the Indemnified Parties. Notwithstanding the foregoing, if a settlement offer solely for money damages is made by the applicable third party claimant, and the Purchaser notifies the Indemnified Parties in writing of the Purchaser's willingness to accept the settlement offer and pay the amount called for by such offer, and the Indemnified Parties decline to accept such offer, the Indemnified Parties may

continue to contest such Claim, free of any participation by the Purchaser, and the amount of any ultimate liability with respect to such Claim that the Purchaser has an obligation to pay hereunder shall be limited to the lesser of (A) the amount of the settlement offer that the Indemnified Parties declined to accept plus the Losses of the Indemnified Parties relating to such Claim through the date of its rejection of the settlement offer or (B) the aggregate Losses of the Indemnified Parties with respect to such Claim.

18

<PAGE>

(ii) After any final decision, judgment or award shall have been rendered by a Governmental Body of competent jurisdiction and the expiration of the time in which to appeal therefrom, or a settlement shall have been consummated, or the Indemnified Parties and the Purchaser shall have arrived at a mutually binding agreement with respect to a Claim hereunder, the Indemnified Parties shall forward to the Purchaser notice of any sums due and owing by the Purchaser pursuant to this Agreement with respect to such matter.

(c) No Consequential Damages. Notwithstanding anything in this Agreement to the contrary, no party hereto (or any of its Affiliates) shall, in any event, be liable to any other party hereto (or any of its Affiliates) for any consequential, incidental, special or punitive damages of such other party (or its Affiliates) (collectively, an "Excluded Loss"), including loss of future revenue, income or profits, diminution of value or loss of business reputation or opportunity relating to any claim or loss hereunder; provided, that to the extent that any Loss constitutes the payment of any amount to a third party that is not an Indemnified Person, such Loss shall not be reduced by the amount thereof that would otherwise constitute an Excluded Loss.

2.7 Bulk Sales Laws. Purchaser hereby waives compliance by Sellers and the Subsidiaries with the requirements and provisions of any "bulk transfer" Laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Purchased Assets to Purchaser.

2.8 Purchase Price Allocation.

(a) Sellers and Purchaser shall act in good faith to attempt to agree to the allocation of the purchase price (including the Assumed Liabilities) among the Purchased Assets. In accordance with such allocation and upon such agreement, Purchaser shall prepare and deliver to Sellers copies of Form 8594 and any required exhibits thereto (the "Asset Acquisition Statement"). Purchaser shall prepare and deliver to Sellers from time to time revised copies of the Asset Acquisition Statement (the "Revised Statements") so as to report any matters on the Asset Acquisition Statement that need updating (including purchase price adjustments, if any) consistent with the allocation as agreed upon or determined in accordance with this Section 2.8. The purchase price for the Initial Purchased Assets and License-Related Purchased Assets shall be allocated in accordance with the Asset Acquisition Statement or, if applicable, the last Revised Statements, provided by Purchaser to Sellers, and all income Tax Returns and reports filed by Purchaser and Sellers shall be prepared consistently with such allocation.

(b) If the Sellers and Purchaser fail to agree to such matters within 60 days (the "Negotiation Period") after the date hereof, the allocation of the purchase price among the Purchased Assets will be resolved by submission to an independent accounting firm of national recognition reasonably acceptable to Sellers and Buyer (the "Accountants"). If the purchase price allocation is submitted to the Accountants for resolution, (x) each party will furnish to the Accountants such work papers and other documents and information

relating to the purchase price allocation as the Accountants may request and are

19

<PAGE>

available to that party (or its independent public accountants), and will be afforded the opportunity to present to the Accountants any material relating to the determination and to discuss the determination with the Accountants; (y) the determination by the Accountants, as set forth in a notice delivered to the Sellers and Purchaser by the Accountants will be binding and conclusive on the Sellers and Purchaser; and (z) the fees of the Accountants for such determination shall be allocated by the Accountant equally between Purchaser and Sellers.

2.9 Parent Guarantee. Parent hereby guarantees to Sellers (and their Affiliates) the full payment of any obligation of Purchaser hereunder, including, but not limited to, all Initial Assumed Liabilities and License-Related Assumed Liabilities.

which it is a party, the consummation of the transactions contemplated hereby or thereby, or compliance by each Seller with any of the provisions hereof or thereof will conflict with, or result in any violation of or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination or cancellation under, any provision of (i) the By-laws or Certificate of Incorporation of WebLink, or the certificate of limited partnership and partnership agreement of Company, or comparable organizational documents of any Subsidiary; (ii) any Permit to which either Seller or any Subsidiary is a party or by which any of the properties or assets of either Seller or any other Subsidiary is bound; (iii) any Order of any Governmental Body applicable to either Seller or any Subsidiary or by which any of the properties or assets of each or any Subsidiary is bound; or (iv) any applicable Law, other than, in the case of clauses (ii), (iii) and (iv), such conflicts, violations, defaults, terminations or cancellations, that would not in the aggregate have a Material Adverse Effect.

For the purposes hereof, the unaudited consolidated balance sheet of WebLink and its subsidiaries as at September 30, 2003 is referred to as the "Balance Sheet" and September 30, 2003 is referred to as the "Balance Sheet Date".

5.5 No Undisclosed Liabilities. To the Knowledge of Sellers, neither Seller nor any Subsidiary has received any written notice of any default or event that with notice or lapse of time, or both, would constitute a default by Seller or any Subsidiary under any material Real Property Lease.

5.8 Tangible Personal Property. Except as set forth on Schedule 5.9, Sellers and the Subsidiaries own or have valid licenses to use all material Purchased Intellectual Property used by them in the Ordinary Course of Business, except to the extent the failure to be the owner or the valid licensee would not have a Material Adverse Effect. (g) Except as set forth on Schedule 2.3(a)(viii) and Schedule 5.11(g) hereto, neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated hereby will (i) result in any payment becoming due to any employee (including severance or transaction bonuses) of a Seller or any of the Subsidiaries; (ii) increase any benefits otherwise payable under any Employee Benefit Plan; or (iii) result in the acceleration of the time of payment or vesting of any such benefits.

(h) Neither the Seller nor any of the Subsidiaries has incurred or will incur any actual or contingent liability with respect to any plan subject to Title IV of ERISA, including any withdrawal liability, or be required to make any contributions to a multiemployer plan, as a result of any of them being members of a "controlled group" of corporations, or treated as a single employer with, Seller within the meaning of Section 414(b), 414(c), 414(m) or 414(n) of the Code arising from or incurred with respect to any period prior to the Initial Closing Date.

There are no (i) Legal Proceedings pending or, to the Knowledge of Sellers, threatened, and (ii) to the Knowledge of Sellers, investigations, charges, claims or demands pending or threatened, that, in case of each of (i) and (ii), are reasonably likely to prohibit or restrain the ability of a Seller to enter

(b) Sellers and the Subsidiaries currently have all Permits which are required for the operation of the Business, except where the absence of which would not have a Material Adverse Effect. Neither Seller nor any of the Subsidiaries is in default or violation (and no event has occurred which, with notice or the lapse of time or both, would constitute a default or violation) of any term, condition or provision of any Permit to which it is a party, except where such default or violation would not have a Material Adverse Effect.

5.15 Financial Advisors. Except for Chanin Capital Partners, no Person has acted, directly or indirectly, as a broker, finder or financial advisor for Sellers in connection with the transactions contemplated by this Agreement and no Person is entitled to any fee or commission or like payment from Purchaser in respect thereof.

5.19 Ownership of Membership Interest. The Company owns the Membership Interests, free and clear of any Encumbrances other than Permitted Encumbrances, and has the right, power and authority to sell and transfer the Membership Interests to Purchaser in the manner provided herein. 7.2 Preservation of Records. Each of Parent and Purchaser agrees that it shall preserve and keep the records held by it relating to the Business for a period of six years from the Initial Closing Date. In the event each of Parent and Purchaser wishes to destroy such records after that time, Purchaser shall first give ninety (90) days prior written notice to Company and shall have the right at its option and expense, upon prior written notice given to Purchaser within that ninety (90) day period, to take possession of the records within one hundred and eighty (180) days after the date of such notice.

7.3 Publicity.

(a) None of Sellers, Parent or Purchaser shall issue any press release or public announcement concerning this Agreement or the transactions contemplated hereby without obtaining the prior written approval of the other party hereto, which approval will not be unreasonably withheld or

delayed, unless, in the judgment of Sellers or Purchaser, disclosure is otherwise required by applicable Law or by applicable rules of any stock exchange, provided that, to the extent required by applicable Law, the party intending to make such release shall use its commercially reasonable efforts consistent with applicable Law to consult with the other party with respect to the text thereof.

(b) Each of Purchaser and each Seller agrees that the terms of this Agreement shall not be disclosed or otherwise made available to the public and that copies of this Agreement shall not be publicly filed or otherwise made available to the public, except where such disclosure, availability or filing is required by applicable Law and only to the extent required by such Law.

7.4 Negative Covenant.

(a) Except as otherwise expressly permitted herein, between the date of this Agreement and each applicable Nonassignable Contract Assignment Date, Sellers shall not, without the prior written consent of Purchaser, which consent shall not be unreasonably withheld, make any modification to any such Nonassignable Contract.

(b) Except as otherwise expressly permitted herein, between the date of this Agreement and the License-Related Asset Purchase Closing Date, Sellers shall not, without the prior written consent of Purchaser, (i) enter into any compromise or settlement of any litigation, proceeding or governmental investigation relating to the License-Related Purchased Assets, or the License-Related Assumed Liabilities; or (ii) terminate the employment of any employee listed on Schedule 1.1(c).

7.5 Notification.

Between the date of this Agreement and the License-Related Asset Purchase Closing Date, Sellers shall promptly notify Purchaser of the occurrence of any breach of any covenant of Sellers in this Article 7 or of the occurrence of any event that may make the satisfaction of the conditions in Article 8 impossible or unlikely.

7.6 Sellers' Reasonable Best Efforts.

Sellers shall use their reasonable best efforts, without the obligation to incur any costs, expenses or Liabilities, except for reasonable legal fees related to the License-Related Asset Purchase Closing as provided in Section 2.5(e) hereof, to cause the conditions in Sections 8.1 to be satisfied.

7.7 Purchaser's Reasonable Best Efforts. Purchaser shall use its reasonable best efforts to cause the conditions in Sections 8.1 to be satisfied.

7.8 Non-Solicitation.

(a) Each Seller agrees that for a period of three years from the Initial Closing Date, it shall not employ or solicit or offer or induce or receive or accept the performance of services by any senior or management employee of the Business while such Persons are employed by Purchaser.

(b) If Each Seller acknowledges that Purchaser would be irreparably harmed by any breach of this Section 7.8 and that there would be no

adequate remedy at law or in damages to compensate Purchaser for any such breach. Each Seller agrees that Purchaser shall be entitled to injunctive relief requiring specific performance by each Seller and its Affiliates of this Section 7.8 without the necessity of proving actual damages or the posting of a bond, and each consents to the entry thereof.

7.9 Employment.

37

<PAGE>

(a) Prior to the Initial Closing Date, Purchaser shall offer employment to each of the Initial Transferred Employees to commence immediately following the Initial Closing. On March 31, 2004 (the "Subsequent Transfer Date"), Purchaser shall offer employment to each Subsequent Transferred Employee, who is still employed by Seller, to commence on the Subsequent Transfer Date. Each such offer of employment shall be at the same salary or hourly wage rate in effect immediately prior to the Initial Closing Date, or, in the case of the Subsequent Transferred Employees, the Subsequent Transfer Date. Each of the Transferred Employees shall be entitled to any sick leave, personal days and vacation time they would be entitled to if they remained employed by Sellers. Notwithstanding the foregoing, this Section 7.9 shall not prohibit Purchaser from terminating the employment of any Transferred Employee at any time or for any reason. For the avoidance of doubt, nothing in this Agreement shall create a contract of employment or alter the "at-will" employment status of any Transferred Employee.

(b) As a condition of the offers of employment to Transferred Employees with Severance Agreements listed on Schedule 2.3(a)(viii), Purchaser and each Transferred Employee will enter into a "substitute severance agreement" substantially in the form attached hereto as Exhibit G as a replacement for such Transferred Employee's Severance Agreement. Payments under the "substitute severance agreements" shall be made by the Purchaser to Transferred Employees in accordance with their terms and Sellers shall have no liability with regard to payments under the "substitute severance agreements" or the Severance Agreements. Any Transferred Employee who does not enter into a substitute severance agreement within 3 days of the Initial Closing Date (the "Eligibility Period") will not become an employee of Purchaser and shall receive payments under the Severance Agreement applicable to such Transferred Employee, and, in such case, Purchaser will promptly, and in no event in more than one Business Day after the expiration of the Eligibility Period, reimburse Sellers for its severance pay costs (including severance pay, employer contributions for FICA and FUTA and any accrued vacation, sick or personal days) which were otherwise Assumed Liabilities of Purchaser under this Agreement. Such reimbursement shall constitute an Expense under the Management Agreement.

(c) Purchaser and Sellers agree that the payroll taxes of the Transferred Employees shall be treated in accordance with the Standard Procedure of Section 4 of Revenue Procedure 96-60.

7.10 Employee Benefits.

(a) From and after the Initial Closing, or in the case of the Subsequent Transferred Employees, the Subsequent Transfer Date, Purchaser shall provide, or cause to be provided to each of the Transferred Employees, benefits under the employee benefits plans of Purchaser (the "Purchaser Plans") that are, in each case, substantially equivalent on an aggregate basis to those provided to employees of the Purchaser. For purposes of this Section 7.10(a), coverage under any Employee Benefit Plan assumed pursuant to Section 2.3(a)(ii) may be considered coverage under a Purchaser Plan after the Initial Closing

Date.

38

<PAGE>

(b) For purposes of eligibility, vesting and benefit accrual (but not for purposes of any employer contribution to the Purchasers' defined contribution plan based on the Purchaser's financial performance for calendar year 2003) , under the Purchaser Plans, Purchaser shall credit each Transferred Employee with his or her years of service with Company, the Subsidiaries and any predecessor entities, to the same extent as such Transferred Employee was entitled immediately prior to the Initial Closing Date, or in the case of the Subsequent Transferred Employees, the Subsequent Transfer Date, to credit for such service under any similar Employee Benefit Plan. The Purchaser Plans shall not deny Transferred Employees coverage on the basis of pre-existing conditions unless a Transferred Employee was denied coverage under Employee Benefit Plan and shall credit such Transferred Employees for any deductibles and out-of-pocket expenses paid in the year of initial participation in the Purchaser Plans.

(c) Except as required by applicable Law, Purchaser shall be responsible for all Liabilities with respect to Transferred Employees attributable to their accrued and unused vacation, sick days and personal days through the Initial Closing Date or, in the case of the Subsequent Transferred Employees, the Subsequent Transfer Date. Schedule 7.10(c) to this Agreement contains a true and correct list of all such Liabilities as of the payroll date ending immediately prior to the Initial Closing Date described in this Section 7.10(c) .

(d) Sellers and Purchaser shall take all actions necessary or appropriate so that, effective as of the Initial Closing Date (A) Purchaser shall be designated the "plan sponsor" (as defined in Section (3)(16)(B) of ERISA) of the Employee Benefit Plans assumed pursuant to sections 2.1(b)(x) and 2.3(a)(ii) of this Agreement and insurance contracts related to the Sellers' insured health and welfare plans are assigned by the Sellers to the Purchaser; (B) the elections, contribution levels and coverage levels of the Initial Transferred Employees under Seller's flexible spending account plans shall continue to apply until the end of the plan year and the Transferred Employees shall be reimbursed for claims incurred at any time during the plan year in which the Initial Closing Date occurs from and after the Initial Closing Date on the same basis and the same terms and conditions as immediately prior to the Initial Closing Date; and, (C) Transferred Employees will be eligible to participate in the Purchaser's 401(k) defined contribution plan; provided that the Purchaser (or its appropriate representative) receives payroll deduction elections from Transferred Employees, and Purchaser's 401(k) plan shall provide for receipt of "direct rollovers" of benefits from the Sellers' 401(k) Plan.

(e) The Purchaser's health and welfare plan shall provide continuation coverage under COBRA to all "M& A Qualified Beneficiaries" (as defined in Treasury Regulation 54.4980B-9, Q&A-4) in accordance with the terms of the Purchaser's health plan; provided that, during the period between the Initial Closing Date and the Subsequent Closing Date, the Subsequent Transferred Employees shall continue to participate in a health and welfare of the Seller or a health and welfare plan of the selling group (as defined in Treasury Regulation 54.4980B-9, Q&A-3) .

39

<PAGE>

(f) On or prior to December 9, 2003, Purchaser shall pay the

Transferred Employees the transaction bonuses listed on Schedule 2.3(a)(viii). With respect to such transaction bonuses, Purchaser shall satisfy any tax withholding obligation and shall be responsible for payment of the employer contributions for FICA and FUTA required by Law with respect to each such Transferred Employee.

7.11 Confidentiality. Notwithstanding anything to the contrary set forth herein or in any other agreement to which the parties hereto are parties or by which they are bound, the obligations of confidentiality contained herein and in the confidentiality agreement between Purchaser and Company dated November 14, 2002, as they relate to the transactions contemplated by this Agreement, shall not apply to the tax structure or tax treatment of the transactions contemplated by this Agreement, and each party hereto (and any employee, representative, or agent of any party hereto) may disclose to any and all persons, without limitation of any kind, the tax structure and tax treatment of the transactions contemplated by this Agreement and all materials of any kind (including opinions or other tax analysis) that are provided to such party relating to such tax treatment and tax structure; provided, however, that such disclosure shall not include the name (or other identifying information not relevant to the tax structure or tax treatment) of any person and shall not include information for which nondisclosure is reasonably necessary in order to comply with applicable securities laws.

7.12 Tax Reporting. Sellers and Purchaser agree that the purchase and sale of the Purchased Assets pursuant to this Agreement is intended to be treated as a taxable sale for federal, state and local income tax purposes and, accordingly, will consistently report it as such and will not take any actions, and will cause their Affiliates not to take any actions, which are inconsistent with such treatment.

7.13 Assumption in Bankruptcy.

(a) In the event that after the execution of this Agreement a Seller files a voluntary petition or is the subject of an involuntary petition for relief under Chapter 11 of the U.S. Bankruptcy Code (a "WLNK Bankruptcy Filing"), such Seller hereby agrees, to the extent permitted by Law, to seek assumption of this Agreement and each of the Documents as soon as possible after the filing of such petition.

(b) In the event of a WLNK Bankruptcy Filing, such Seller hereby agrees, to the extent permitted by Law, to seek assumption as soon as possible thereafter of any contract for which a consent, waiver, authorization or approval of a third party was required but not sought or obtained to the extent that, prior to or after such WLNK Bankruptcy Filing, any such third party has notified Seller that the assignment of such contract was void and/or that Seller is in breach of such contract as a result of the assignment thereof to the Purchaser pursuant to this Agreement.

(c) In the event that any funds are paid to any Seller or any of its subsidiaries in respect of the Business on or after the Initial Closing Date, all such funds shall be (i) received and held in trust by such Seller or subsidiary of a Seller and (ii) immediately transferred to Purchaser by wire transfer in same day funds, free and clear of any Encumbrances.

40

7.14 No Negotiation. Neither the Sellers nor any of their Affiliates (and their respective officers, directors, employees, accountants, consultants, legal counsel, financial advisors, agents and other representatives

(collectively, "Representatives") shall directly or indirectly solicit, initiate, encourage or entertain any inquiries or proposals or offer (including, without limitation, any proposal or offer to its stockholders) from any Person, discuss or negotiate with, provide any nonpublic information to or consider the merits of any inquiries or proposals from any Person (other than Purchaser) relating to any business combination transaction involving Sellers, including, without limitation, the sale of Sellers' stock, the merger or consolidation of Sellers or the sale of Sellers' business or any of the assets (other than in the Ordinary Course of Business); enter into or maintain or continue discussions or negotiate with any Person in furtherance of such inquiries; enter into any agreement with respect to any such transaction; or authorize or knowingly permit any of Sellers' or their Affiliates' Representatives, to take any such action. Sellers shall notify Purchaser of any such inquiry or proposal within twenty-four (24) hours of receipt or awareness of the same by Sellers and shall promptly furnish a copy of any such written proposal or a detailed description of any such oral proposal to Purchaser. Notwithstanding the foregoing, it is being hereby agreed by Parent, Purchaser and Sellers that this Section 7.14 shall not in any way be applicable to the Excluded Assets or Liabilities.

7.15 Change of Name; Use of Names. As soon as practicable after the Initial Closing Date, each Seller will change its corporate or limited partnership name, as applicable, to such other name as does not contain the word "WebLink". After the Initial Closing Date, Sellers shall not have any right, title or interest in or to, the name WebLink Wireless and all related Marks; provided, however, that Sellers shall have until November 15, 2004 to replace stationery and other documents and forms, and to replace or repaint signs, vehicles and other items, that on the Initial Closing Date bear the "WebLink Wireless" or other related Marks, during which period of time Sellers may use such Marks on inventory, documents, forms and other items that have not yet been replaced or repainted.

(c) All consents, waivers, authorizations and approvals of any Governmental Body as are necessary in connection with the transactions contemplated by this Agreement in connection with the License-Related Asset Purchase Closing shall have been obtained.

(d) As of the License-Related Asset Purchase Closing Date, the purchase of License-Related Purchased Assets deliverable on such date shall be legally permitted by all Laws and regulations to which Purchasers and Sellers are subject, except where the failure to comply with such Laws or regulations would not be reasonably expected to have a Material Adverse Effect.

8.2 Condition Precedent to the Obligations of Each Seller. The obligations of each Seller to consummate the transactions contemplated herein to be consummated on the License-Related Asset Purchase Closing Date are subject to the delivery, on or prior to the License-Related Asset Purchase Closing Date, of the Certificate required pursuant to Section 4.4(c) relating to the vesting of rights under the Warrants to purchase all remaining Warrant Shares that have not yet vested.

ARTICLE IX

9.1 No Survival of Representations and Warranties. The representations and warranties of the parties contained in this Agreement shall not survive Closing and no claims may be asserted with respect thereto after Closing.

9.2 Payment of Sales, Use or Similar Taxes. Purchaser and Sellers shall each be responsible for (and shall indemnify and hold harmless Sellers or Purchaser as the case may be, against) one-half of any sales, use, stamp, documentary, filing, recording, transfer or similar fees or taxes or governmental charges (including real property transfer gains taxes, UCC-3 filing fees, FAA, ICC, DOT, real estate and motor vehicle registration, title recording or filing fees and other amounts payable in respect of transfer filings) in connection with the transactions contemplated by this Agreement (other than taxes measured by or with respect to income imposed on Seller or its Affiliates) (all such non-excepted Taxes, "Transfer Taxes"). 9.4 Expenses. Except as otherwise provided in this Agreement, each of Company and Purchaser shall bear its own expenses incurred in connection with the negotiation and execution of this Agreement and each other agreement, document and instrument contemplated by this Agreement and the consummation of the transactions contemplated hereby and thereby.

9.5 Submission to Jurisdiction; Consent to Service of Process.

(a) The parties hereto hereby irrevocably submit to the non-exclusive jurisdiction of any federal or state court located within the State of New York over any dispute solely between the parties hereto arising out of or relating to this Agreement or any of the transactions contemplated hereby

and each party hereby irrevocably agrees that all claims in respect of such dispute or any suit, action proceeding related thereto may be heard and determined in such courts. The parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the parties hereto agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

This Agreement and the other Transaction Documents (including the schedules and exhibits hereto and thereto) represent the entire understanding and agreement between the parties hereto with respect to the subject matter hereof. This Agreement can be amended, supplemented or changed, and any provision hereof can be waived, only by written instrument making specific reference to this Agreement signed by the party against whom enforcement of any such amendment, supplement, modification or waiver is sought. No action taken pursuant to this Agreement, including without limitation, any investigation by or on behalf of any party, shall be deemed to constitute a waiver by the party taking such action of compliance with any representation, warranty, covenant or agreement contained herein. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.
