ASSIGNMENT

WHEREAS, we, Katrina L. Mealey, of Pullman, County of Whitman, State of Washington, and Steven A. Bentjen, of Troy, County of Latah, State of Idaho, have invented a certain invention, entitled MDR1 VARIANTS AND METHODS FOR THEIR USE, for which U.S. Patent Application Serial No. 10/044,671 was filed January 10, 2002, and International Patent Application PCT/US02/00868 was filed January 11, 2002.

WHEREAS, Washington State University Research Foundation, having a place of business at 1610 N.E. Eastgate Blvd., Pullman, Washington 99163, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Katrina L. Mealey and Steven A. Bentjen, hereby sell, assign and transfer to Washington State University Research Foundation, the full and exclusive right, title and interest in and to said invention, patent applications and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, applications and letters patent(s) in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Washington State University Research Foundation, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to Washington State University Research Foundation, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Washington State University Research Foundation, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
