## ASSIGNMENT

For good and valuable consideration, I, Wael Chahrour, a citizen of France, residing at 129 B, rue des Landes, 78400 Chatou, France, Jean Paul Colombier, a citizen of France, residing at 28, rue Docteur Jean-Vaquier, 93160 Noisy le Grand, France and Philippe Mangon, a citizen of France, residing at 5, rue Simone de Beauvoir, 78990 Elancourt, France hereinafter individually or collectively referred to as "Assignor";

Hereby sell, assign and transfer to **Cerberus S.A.S.**, a corporation organized and existing under the laws of France, having its principal place of business at ZI-617, rue Fourny – BP20, 78531 BUC cedex, France, hereinafter "Assignee", its successors, assigns and legal representatives, the entire right, title and interest in and for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent, which has been executed by the undersigned and

filed on March 2, 2004 US. Serial No. 10/791,214,

entitled: **FIRE OR OVERHEATING DETECTION SYSTEM**

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
