ASSIGNMENT

WHEREAS, I, Vladimir Marakov, have invented certain new and useful improvements in a composition for oil & gas bottom-hole area treatment for which I am the sole and true inventor and for which an application for a Russian Federation patent was filed on July 28, 2003 entitled COMPOSITION FOR OIL & GAS BOTTOM-HOLE AREA TREATMENT receiving Russian Federation Serial No. 2003123083 and for which an application for United States Letters Patent entitled COMPOSITIONS AND METHODS FOR TREATING SUBTERRANEAN FORMATIONS was executed concurrently herewith by me, which U.S. application claims the priority of the above-identified Russian Federation application and which U.S. application can be further identified by Dorr, Carson, Sloan, Birney & Kramer, P.C. Docket No. 3378/1 and

WHEREAS, GeoStim Group LLC., a Colorado limited liability corporation, whose address is 7424 La Quinta Lane, Lone Tree, Colorado 80124 USA, is desirous of acquiring the entire right, title, and interest in and to said applications and the invention embodied in the Russian Federation and U.S. patent applications identified above and in and to any Letters Patent that may be granted therefor in the Russian Federation, the United States, and in any and all foreign countries.

NOW, THEREFORE, in consideration of the sum of Ten Dollar (\$10.00) paid to me, the receipt and adequacy thereof are hereby acknowledged, and other good and valuable consideration, I do sell, assign, and transfer to GeoStim Group, LLC., its successors, legal representatives, and assigns all right, title and interest in and to said applications and the invention embodied therein in the Russian Federation and the United States and its territorial possessions and in all foreign countries including the right to claim priority and in all provisional, nonprovisional, division, continuation, continuation-in-part, substitution, reexamination, reissue, and any other extension applications thereof and all Letters Patent that may issue thereon.

I hereby authorize and request the Patent and Trademark Office officials in the Russian Federation and the United States and any and

all foreign countries to issue any and all of said Letters Patents when granted to GeoStim Group LLC., as the assignee of the entire right, title, and interest in and to the same, for the sole use and enjoyment of GeoStim Group LLC, its successors, legal representatives, and assigns.

Further, I agree that I will communicate to GeoStim Group LLC or its representatives all facts known to me in regard to said invention, and testify in any legal proceedings, sign all lawful papers, execute all provisional, nonprovisional, division, continuation, continuation-in-part, substitution, reissue, reexamination, and any other extension applications, execute all necessary assignment papers to cause any and all of said Letters Patent throughout the world to be issued to GeoStim Group LLC, make all rightful oaths, and generally do everything necessary or desirable to aid GeoStim Group LLC, its successors, legal representative, and assigns to obtain and enforce proper protection for said invention in the Russian Federation, the United States, and in any foreign countries.

I hereby covenant that I have full right to convey the rights, titles, and interests assigned herein and that I have not executed and will not execute any agreement in conflict with this Assignment.
