Now, therefore, in consideration of the sum of ONE DOLLAR (\$1.00), and other good and valuable consideration paid to us by the Assignee, the receipt of which is hereby acknowledged, we, the Applicants, by these presents do sell, assign, and transfer unto said Assignee:

The full and exclusive right to the said invention in the United States and the entire right, title, and interest in and to any and all divisions, continuations and continuations-in-part of said application, all previously filed provisional applications for which the present application seeks the benefit of an earlier filing date under 35 U.S.C. § 119, all reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries.
