ASSIGNMENT OF APPLICATION

Docket Number (Optional)

Whereas, I/We, Ludger Wöste of the Federal Republic of Germany hereafter referred to as applicant, have invented certain new and useful improvements in Method and Device for Separating Molecules having Different Excitation Spectra

for which an application for a United States Patent was filed on _____ Application Number _____

for which an application for a United States Patent was executed on 28 July 2004, and

Whereas, Freie Universität Berlin of the Federal Republic of Germany here referred to "assignee" whose mailing address is Kaiserswerther Str. 16-18, D-14195 Berlin is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of the sum of one dollars (\$ 1), the receipt whereof is acknowledge, and other good and valuable consideration, I/We, the applicant(s), by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and the entire rights, title and interest in and to any and all Patents which may be granted therefore in the United States. I/We hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said United States Patent to said assignee, of the entire right, title, and interest in and to the same, for his sole use and behoof; and for the use and behoof of his legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.
