THIS AGREEMENT is dated *30 September 2004*

PARTIES:-

- (1) AURILAB LLC (registered in the state of Delaware as a limited liability company) whose address is at 958 Versailles Circle, Maitland, Florida 32751, U.S.A. ("the Assignor")
- (2) NOVAURIS LABORATORIES UK LIMITED (registered in England and Wales under company number: 04356173) whose registered office is at Rickerbys, Ellenborough House, Wellington Street, Cheltenham, GL50 1YD ("the Assignee")

WHEREAS, the inventors of the patent application and the provisional patent application (set out in the Schedule and thereafter defined as "the Letters Patent"), namely Melvyn J Hunt, Mark Bedworth and Gary Cook assigned all their rights in the Letters Patents disclosed therein, to their employer, Novauris Laboratories UK Limited, by operation of law.

WHEREAS, by an Assignment and Quitclaim dated 31 August 2003 ("the Assignment"), Novauris Laboratories UK Limited assigned to Aurilab LLC, the rights in the Letters Patent, as set out in the Assignment.

WHEREAS, Aurilab LLC has agreed to assign the rights in the Letters Patent, as set out in the Assignment, back to Novauris Laboratories UK Limited for the consideration set out in this Agreement and Novauris Laboratories UK Limited desires to purchase the said rights, title and interest, free and clear of any liens and encumbrances of residual rights that may remain with Aurilab LLC.

NOW, THEREFORE, for forty thousand Dollars (\$40,000) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Assignor, the Assignor has sold, assigned and transferred, and by these presents hereby sells, assigns and transfers, unto the Assignee, its successors and assigns, all rights that it has to:-

- (a) the application for the Letters Patent and the inventions disclosed therein;
- (b) all divisions, continuations, reissues and extensions of the pending application for the Letters Patent;
- (c) all letters patent that may be granted on the application and Letters Patent in the United States or any other country;

- (d) the right to claim for any application claiming priority from the applications and Letters Patent the full benefits and priority rights under the International Convention and any other international agreement to which the United States adheres;
- (e) all rights, covenants and obligations under any and all licences granted for the applications and Letters Patent; and
- (f) all past, present and future claims for damages by reason of patent infringement thereof with the right to sue for and collect the same for the Assignee's own use;

such right, title and interest to be held and enjoyed by the Assignee, its successors and assigns to the full end of the terms for all Letters Patent granted or that may be granted under the applications and Letters Patent as fully and entirely as would have been held and enjoyed by the Assignor had this Agreement not been made.

THE ASSIGNOR hereby authorises and requests the U.S. Commissioner of Patents to issue any and all such Letters Patent to the said Assignee, its successors or assigns in accordance herewith;

THE ASSIGNOR warrants and covenants that it has the full and unencumbered right to sell and assign the interests herein sold and assigned, that such assigned rights are not encumbered by any grant, licence or other right and that it has not executed and will not execute any document or instrument in conflict herewith:

THE ASSIGNOR further covenants and agrees it will communicate to the Assignee, its successors, legal representatives or assigns all information known to the Assignor relating to the said inventions or the Letters Patent and that it will execute and deliver any papers, make all rightful oaths, testify in any legal proceedings and perform all legal representations to perfect title to the said inventions and the Letters Patent, or to assist the said Assignee, its successors, legal representatives or assigns in obtaining, reissuing or enforcing all such Letters Patent.

The undersigned hereby grants the firm of Rickerbys the power and authority to insert in this Agreement any further identification which may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office for recordation of this Agreement.

EXECUTED by or on behalf of the parties but not delivered until the date first set out in this document.
