ASSIGNMENT

I,

(1) Anthony M. Zador,

residing, respectively, at

(1) 355 West 29th Street, Apt. 3B, New York, New York 10001,

have made the inventions and discoveries disclosed in a patent application in the United States, entitled: SYSTEMS AND METHODS FOR SEPARATING MULTIPLE SOURCES USING DIRECTIONAL FILTERING, filed on March 24, 2004 and having Application No. 10/809,285.

I, for good and valuable consideration, receipt of which is hereby acknowledged, have assigned, sold and transferred to and do hereby sell, assign and transfer to Cold Spring Harbor Laboratory, a not-for-profit corporation organized and existing under the laws of the state of New York and having an office and place of business at 1 Bungtown Road, Cold Spring Harbor, New York 11724, its successors and assigns: (1) the entire right, title and interest in the United States and in all countries throughout the world in and to said inventions, discoveries and application, and any renewals, revivals, reissues, reexaminations, extensions, continuations and divisions thereof and any substitute applications therefor; (2) the full and complete right to file patent applications in the name of Cold Spring Harbor Laboratory, its designee, or in my name at Cold Spring Harbor Laboratory, or its designee's election, on the aforesaid inventions, discoveries and applications in all countries of the world; (3) the entire right, title and interest in and to any Letters Patent which may issue thereon in the United States or in any country, and any renewals, revivals, reissues, reexaminations and extensions thereof, and any patents of confirmation, registration and importation of the same; and (4) the entire right, title and interest in all Convention and Treaty Rights of all kinds thereon,

including without limitation all rights of priority in any country of the world, in and to the above inventions, discoveries and applications.

I hereby authorize and request the competent authorities to grant and to issue any and all such Letters Patent in the United States and throughout the world to Cold Spring Harbor Laboratory as the assignee of the entire right, title and interest therein, as fully and entirely as the same would have been held and enjoyed by me had this assignment, sale and transfer not been made.

I agree, at any time, upon the request of Cold Spring Harbor Laboratory to execute and to deliver to Cold Spring Harbor Laboratory any additional applications for patents for said inventions and discoveries, or any part or parts thereof, and any applications for patents of confirmation, registration and importation based on any Letters Patent issuing on said inventions, discoveries, or applications and divisions, continuations, renewals, revivals, reissues, reexaminations and extensions thereof.

I further agree at any time to execute and to deliver upon request of Cold Spring Harbor Laboratory such additional documents, if any, as are necessary or desirable to secure patent protection on said inventions, discoveries and applications throughout all countries of the world, and otherwise to do the necessary to give full effect

to and to perfect the rights of Cold Spring Harbor Laboratory under this Assignment, including the execution, delivery and procurement of any and all further documents evidencing this assignment, transfer and sale as may be necessary or desirable.
