ASSIGNMENT

WHEREAS, we, Michael Graves, David Peschel, Donald Strum and Robert Van Varick (hereinafter referred to as ASSIGNORS), have invented certain inventions and improvements disclosed in an application entitled "**Tong**" filed in the U.S. Patent and Trademark Office on December 14, 2004 and assigned U.S. Design Application No. 29/219,210; and

WHEREAS, **Michael Graves Design Group, Inc.**, a corporation of the State of New Jersey, having a principal place of business at 341 Nassau Street, Princeton, New Jersey 08540 (hereinafter referred to as ASSIGNEE), is desirous of acquiring the entire right, title and interest in and to the invention and in and to any design patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNORS hereby sell, assign and transfer unto said ASSIGNEE, the entire right, title and interest in and to said invention, said application, any utility application claiming priority thereto and any and all letters patent which may be granted for said invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said invention, application and all letters patent on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNORS had this assignment, transfer and sale not been made. ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks to issue all letters patent on said invention to ASSIGNEE. ASSIGNORS agree to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent on said
