ASSIGNMENT

WHEREAS, we, Stewart Taylor, a citizen of the United States of America, residing in the City of Kingsport and the State of Tennessee, U.S.A., and Robert Pearman, a citizen of the United States of America, residing in the City of Gray and the State of Tennessee, U.S.A., have created an original work of authorship in the nature of a design of a folding knife and made a design invention of a folding knife for which we have filed U.S. Copyright Registration Application entitled SWAT II Knife, on June 18, 2004, and U.S. Design Patent Application, Serial No. 29/208377 entitled Folding Knife, filed June 29, 2004, sometimes hereinafter collectively referred to as the Properties; and

WHEREAS, Taylor Cutlery, L.L.C., a limited liability company organized and existing under the laws of the State of Tennessee, U.S.A., having its principal place of business in the City of Kingsport and the State of Tennessee, U.S.A., is desirous of acquiring the entire right, title and interest in and to said work of authorship and said design invention, said Properties and any and all copyright registrations thereof and design patents issuing thereon.

NOW, THEREFORE, in consideration of the amount of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, Stewart Taylor and Robert Pearman, by these presents, do hereby assign, sell and transfer unto said Taylor Cutlery, L.L.C., our entire right, title and interest, throughout the world, in and to said work of authorship, all copyright in said work, as well as all rights to reproduce said work, said U.S. Copyright Registration Application, the right to register said work in all countries foreign to the United States of America and any and all registrations thereof and all extensions and renewals of said registrations; and said design invention, said U.S. Design Patent Application for said design invention, together with the right to file additional applications for

design patents on said design invention in all countries foreign to the United States of America, including all rights of priority created or conferred by international convention or treaty to which the United States of America is a party or signatory, and in and to any design patents issuing on said applications, said design patents and applications for design patents and any continuations, continuations in part, divisions, reissues, extensions and renewals thereof, to be held and enjoyed by said Taylor Cutlery, L.L.C., for its own use and behoof and for its legal representatives and assignees to the full ends of the terms for which said design patents may be granted as fully and entirely as the same would have been held by us had this assignment and sale not been made.

Executed by me this 22 day of July 2004.
