## ASSIGNMENT

I/We, the undersigned (each) have agreed and hereby agree to assign to MICREL, INC., a California corporation, having a principal place of business in San Jose, California (hereinafter MICREL), in furtherance of my/our obligations to MICREL, and do hereby assign and transfer to MICREL, its successors and assigns, the entire right, title and interest, including the right of priority, in, to and under an application for Letters Patent of the United States entitled:

### SURGE DELAY FOR CURRENT LIMITER

NOW, THEREFORE, for good and valuable consideration, including salary, the receipt and sufficiency of which is hereby acknowledged, I/we, the said inventor(s), do hereby sell, assign, transfer, and set over unto MICREL, its successors and assigns, my/our entire and exclusive right, title, and interest in and to the said invention and said application, in the United States and throughout the world, and in and to any Letters Patent which may be granted and issued therefor throughout the world, including the subject matter of any and all claims which may be obtained in every such patent and in and to any continuations and divisionals of said application, and reissues and extensions of said Letters Patent and all international patent rights associated therewith; and I/we further agree to sign all papers, testify in all legal proceedings, and perform all acts, without any further consideration, but at no cost or expense, as MICREL may deem necessary to make this Assignment fully effective, including the execution of any and all original, reissue, continuation, continuation in part, and divisional, and United States and foreign patent applications.

I/We hereby authorize and request the Commissioner of Patents and Trademarks to issue the said United States Letters Patent to MICREL, its successors and assigns.

I/We hereby covenant that I/we have full right to transfer the entire interest herein assigned, and that I/We have not executed and will not execute any agreement in conflict herewith.
