ASSIGNMENT

WHEREAS, we, John M. French, of Boise, County of Ada, State of Idaho, and Brian J. Shults, of Nampa, County of Canyon, State of Idaho, have made inventions described in United States provisional patent application No. 60/493,943, filed August 7, 2003, and in a United States nonprovisional patent application entitled SECURITY HOOD FOR HANDGUN HOLSTERS AND THE LIKE, assigned Attorney Docket No. 50838/531:2, and claiming priority from said provisional application No. 60/493,943; and

WHEREAS, Michaels of Oregon Co., an Oregon corporation, having a place of business at 1710 Red Soils Court, Oregon City, OR 97045, is desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, John M. French, and Brian J. Shults, hereby sell, assign, and transfer to Michaels of Oregon Co. the full and exclusive right, title, and interest in and to said inventions, said patent applications, and any and all patent rights and letters patent for said inventions in the United States of America and elsewhere throughout the world, including provisional rights, foreign patent priority rights, and the right to apply for patents in foreign countries in our names or in the name of Michaels of Oregon Co., and further including all divisional and continuation applications deriving priority from said patent applications or any foreign patent applications, and all reissues and extensions of patent rights and letters patent for said inventions, all to be held and enjoyed by Michaels of Oregon Co., for its own use and benefit, and by its successors and assigns for their own use and benefit, for the full duration of the terms for which patent rights and letters patent may be granted in this or any foreign country, and covenant that we have full right so to do, and agree that we will communicate to Michaels of Oregon Co., and its successors and assigns, any facts known to us respecting said inventions, and testify in any legal proceeding, sign all lawful papers, execute all lawful divisional, continuation, and reissue applications, make all rightful declarations or oaths, and do everything lawfully possible to aid Michaels of Oregon Co., and its successors and assigns, to obtain and enforce proper patent protection for said inventions in the United States of America and elsewhere throughout the world.
