## ASSIGNMENT

WHEREAS, We, Thomas E. Erickson of Crosslake,  
County of Crow Wing, and State of Minnesota,  
James J. Erickson of Mound,  
County of Hennepin, and State of Minnesota, and  
Timothy A. Bachman of St. Paul,  
County of Ramsey, and State of Minnesota  
have invented certain new and useful improvements in Sharps Container for (i) Safe Disposal and Storage of a Single Used  
Medical Pen Needle and/or (ii) Safe Storage and Dispensing of a Single Unused Medical Pen Needle

for which an application is about to be made for Letters Patent of the United States, said application having been executed on even date herewith, and

Whereas, UltiMed, Inc., a corporation organized and existing under the laws of the State of Minnesota, and having its principal offices at 287 East Sixth Street, St. Paul, MN, U.S.A. is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

Now, therefore, for good and valuable consideration to us paid by the said UltiMed, Inc., the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said UltiMed, Inc., its successors and assigns, our entire right, title and interest in and to said invention, said application and the Letters Patent, both foreign and domestic, that may or shall issue, including all of our rights under any and all international conventions, treaties and/or agreements concerning patents to which the United States is a party, and we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned assignee in accordance herewith.

We further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of any international convention, treaty and/or agreement.

We do hereby covenant and agree with the said assignee, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or any of and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.
