have made a certain new and useful invention as set forth in an application for United States Patent Application

entitled : A Security Assembly for Fitting to a Syringe, and a Syringe Assembly

and filed by us on 12 November 2004.

REXAM-PHARMA, a corporation of France, having an address at 20, avenue de la Gare, B.P. 30, 38292 LA VERPILLIERE CEDEX, France, is desirous of acquiring the entire right, title and interest in and to the invention and in and to any and all Letters Patent of the United States and foreign countries that may be obtained therefor ;

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign, transfert and set over unto REXAM-PHARMA, its legal representatives, successors, and assigns, the entire right, title and interest in and to the invention as set forth in the above-mentioned application, including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries that may be issued for the invention :

We will not execute any writing or do any act whatsoever conflicting with these presents, and we will, at any time upon request, without further or additional consideration but at the expense of REXAM-PHARMA, execute such additional assignments and other writings and do such additional acts as REXAM-PHARMA may deem necessary or desirable to perfect its enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on the invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of REXAM-PHARMA and its assigns.

We request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States that may be issued for the invention to REXAM-PHARMA, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to the patent and the invention covered thereby.
