ASSIGNMENT OF UNITED STATES PATENT

THIS PATENT ASSIGNMENT (the "Assignment") made as of the 1st day of January, 2005 between Oberg Industries, Inc., a Pennsylvania corporation (the "Assignor") and I.D.L. Tech Tools, LLC, a Delaware limited liability company (the "Assignee").

WITNESSETH:

WHEREAS, Assignor is the sole owner of United States Patent No. 6,658,971 for "Self-Adjusting Tool Utilizing a Cam" which issued on December 9, 2003 (the "Patent");

WHEREAS, Assignee is desirous of acquiring the entire right, title and interest of the Assignor in and to the Patent and the inventions covered thereby;

NOW, THEREFORE, in consideration of the sum of One dollar (\$1.00) and other good and valuable consideration not herein specifically enumerated, the receipt and sufficiency of which is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does hereby sell, assign and transfer unto the Assignee, its successors, assigns or other legal representatives, its entire right, title and interest, including the inventions covered thereby and the common law rights in and to, the Patent, and any patent issuing on any continuation, continuation-in-part or divisional application thereof and any patent issuing from any reissue or reexamination thereof, together with all rights thereunder as the same would have been held by the Assignor had this Assignment and sale not been made.

The Patent is assigned as is and without any warranty of title. Assignor shall have no obligation to defend any claims to the title to the Patent brought by third parties.

The foregoing assignment and transfer shall include all claims for profits and damages by reason of past infringement, if any, of said Patent, with the right to sue for and collect the same for the Assignee's own use and advantage and for the use and advantage of its successors, assigns or other legal representatives.

Assignor further covenants and agrees that it will at any time, upon the request of Assignee, its successors, assigns or legal representatives, execute and deliver to Assignee all further documents which may be necessary for recording in particular jurisdictions Assignee's title in and to the Patents, including all confirmatory assignments and all other necessary or supplementary papers which may be required to confirm, perfect or record this title.

IN WITNESS WHEREOF, the Assignor has caused this instrument to be signed by a duly authorized corporate officer and its corporate seal to be affixed hereto as of the day and year first above written.
