ASSIGNMENT OF PATENT APPLICATION

WHEREAS, NEW ENGLAND EXTRUSION, INC., a Massachusetts corporation ("Assignor"), owns all right, title, and interest in, to, and under the United States patent application listed on **Schedule A** attached hereto (the "Patent Application");

WHEREAS, NEX MASSACHUSETTS BUSINESS TRUST, a Massachusetts Business Trust ("Assignee"), is desirous of acquiring all right, title and interest in, to, and under the Patent Application and in, to, and under Letters Patent or similar legal protection to be obtained therefor in the United States and its territorial possessions and in all foreign countries.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN: Be it known that in consideration of the payment by Assignee to Assignor of the sum of One Dollar (\$1.00), the receipt and sufficiency of which is hereby acknowledged, and for other good and valuable consideration, Assignor does hereby sell, assign, and transfer unto Assignee all right, title, and interest in, to, and under the Patent Application in the United States and its territorial possessions and in all foreign countries and to all Letters Patent or similar legal protection in the United States and its territorial possessions and in all foreign countries to be obtained for said Letters Patent by said application, and all continuations, continuations-in-part, divisions or renewals thereof, all patents that may be granted therefrom, all reissues or extensions of such patents, and in and to any applications corresponding or claiming priority thereto that have been or shall be filed in the United States and its territorial possessions and in all foreign countries, and all patents or utility models of foreign countries that may be granted therefrom, together with any and all claims or causes of infringement thereof that may have accrued prior to and/or after the effective date of this Assignment, together with the right to bring suit for and/or initiate any proceeding to collect any and all damages arising from said claims or causes of action.

Assignor hereby covenants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Assignment.

Assignor further covenants that Assignee will, upon Assignor's request, be provided promptly with all pertinent facts and documents relating to the Patent Application, said invention and said Letters Patent and legal equivalents in foreign countries as may be known and accessible to Assignor and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to Assignee or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue, and enforce the Patent Application, said invention, and said Letters Patent and said equivalents thereof in any foreign country which may be necessary or desirable to carry out the purposes thereof.

Dated as of January 10, 2005.
