ASSIGNMENT OF APPLICATION

Docket No. 12771.0001

Whereas I, Brian Fowler, of Sunrise, Florida, hereafter referred to as "Assignor," have invented certain new and useful improvements in Internet Telephony Network and Methods for Using for which an application for a United States Patent was filed on February 14, 2003, Application No. 10/366,372, and

Whereas theglobe.com, a corporation organized under the laws of the state of Delaware, hereafter referred to as "Assignee," whose mailing address is 110 East Broward Boulevard, Fort Lauderdale, Florida 33301 is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of two dollars (\$2.00), the receipt and sufficiency of which is hereby acknowledged, and other good and valuable consideration, I the Assignor, by these presents do sell, assign transfer, and set over unto said Assignee all of the Assignor's rights, title and interest to said invention and to any and all inventions described in said patent application in the United States its territorial possessions and all foreign countries, and in any and all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for letters patent relating thereto which have been or shall be filed in the United States, its territorial possessions and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions, agreements, acts, and treaties, the same to be held and enjoyed by the Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, to the end of the term or terms for which letters patent may be granted or reissued as fully and entirely to the same extent as the same would have been held and enjoyed by the Assignor, if this assignment and sale had not been made.

And the Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks, as well as any official of any country or countries foreign to the United States whose duty it is to issue patents, to issue any and all letters patents on such inventions or resulting from said patent application or any continuations-in-part, continuations, divisions, substitutes, reissues or extensions thereof to the Assignee, as assignee of the entire interest to said patent and the invention covered thereby.
