ASSIGNMENT

I, **Joseph A. Bruce**, a citizen of the United States, residing at **153 George West Lane, Spring Lake, North Carolina 28390**, assign to Andrew S. Ruhland, (the Assignee), an individual residing at 120 Mockingbird Lane, Spring Lake, North Carolina 28390, his successors and assigns the entire right, title, and interest in and to the improvements in a **SLIDABLE SWING ARM MOUNT FOR WEAPON**, invented at least in part by me, as described in the application for United States design patent executed concurrently herewith, and any and all applications for patent and patents therefor in any and all countries, including all divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said United States application, and authorize and request any official whose duty it is to issue patents, to issue any patents on said improvements or resulting therefrom to said Assignee, or his successors or assigns and agree that on request and without further consideration, but at the expense of the Assignee, I will communicate to said Assignee or his representatives or nominees any facts known to me respecting said improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid said Assignee, his successors, and nominees to obtain and enforce proper patent protection for the improvements in all countries.
