ASSIGNMENT

WHEREAS, I, David Hines, of Santa Ana, Orange County, California; together with James L. Gregorec, Jr., of Sycamore, DeKalb County, Illinois; and Rey P. Harju, of Fullerton, Orange County, California; have invented a certain new and original design for:

CLAMP METER

for which we are about to make application for Design Letters Patent of the United States; and

WHEREAS, IDEAL Industries, Inc., a corporation organized and existing under and by virtue of the laws of the State of Delaware, and having its principal place of business at Becker Place, Sycamore, IL 60178, is desirous of acquiring the entire right, title and interest in and to said invention, and in and to the Design Letters Patent to be obtained therefor;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration to me in hand paid, the receipt of which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the said assignee my entire right, title and interest in and to the said invention as fully set forth and described in the specification identified under attorney's Docket No. 1110-0488, preparatory to obtaining Design Letters Patent of the United States therefor, together with all future improvements thereon and additions thereto, and United States patent applications which may be made therefor and any and all divisional, continuing and reissue applications therefor, and the patents which may be thereupon issued, and any and all rights to file applications and receive patents in countries foreign to the United States, including priority rights, the same to be held and enjoyed by the said assignee to the full end of the term for which said Design Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by me had this assignment and sale not been made; and I hereby agree to sign all necessary papers in connection with the prosecution and assignment of each and every of said applications.
