DPAL PATENT ASSIGNMENT AGREEMENT

This DPAL Patent Assignment Agreement ("Agreement") is entered into effective March 7, 2005 (the "Effective Date") between William F. Krupke, an individual doing business as Applied Lasers ("Assignor"), and WFK Lasers, LLC, a California limited liability company ("Assignee") (each of the foregoing a "Party" and collectively the "Parties").

For good and valuable consideration, the receipt and adequacy of which the Parties hereby acknowledge, the Parties agree as follows:

- 1. Definition of Assigned Patents.** "Assigned Patents" is defined in Exhibit A, which is attached hereto and incorporated herein.
- 2. Assignment of Patents.** Assignor hereby assigns to Assignee, and Assignee hereby accepts from Assignor, all of Assignor's right, title and interest in the Assigned Patents, including all divisions, reissues, continuations and extensions thereof, as of the Effective Date ("Assignee's Rights").
- 3. Perfection of Rights.** Assignee will be solely responsible for all actions and costs, including attorneys' fees, arising after the Effective Date and associated with further prosecution of the Assigned Patents applications or any other perfection of Assignee's Rights. Upon Assignee's request and at Assignee's expense, Assignor will execute all documents and instruments and will do all lawful acts that reasonably may be necessary to further prosecute the Assigned Patents applications and perfect Assignee's Rights.
- 4. Warranty and Exclusion of Warranties.** Assignor represents and warrants that he is the sole inventor of the Assigned Patents. Except as set forth in the preceding sentence, neither Party makes any representation or warranty, including without limitation any representation or warranty regarding the validity or enforceability of the Assigned Patents.
- 5. Limitations of Liability.** Neither Party will have any liability hereunder from any claims that the Assigned Patents or any portions thereof infringe any third parties' patents or other intellectual property rights.
- 6. No Third-party Beneficiaries.** This Agreement is solely for the benefit of the Parties, and no provision hereof will confer on third parties any remedy, claim, liability or other right.
- 7. General.** This Agreement is the complete and exclusive agreement between the Parties regarding its subject matter and replaces all prior oral or written communications regarding same. This Agreement may be modified only by a written instrument signed by each Party. This Agreement will be binding upon the respective heirs, assigns and successors of the Parties.
