ASSIGNMENT

WHEREAS, WE, **Maurice C. Fuerstenau, Manoranjan Misra and Stefan Beck** (herein called "ASSIGNORS"), residing at **1721 Foster Drive, Reno, Nevada, 89509, 20 Scattergun Circle, Reno, Nevada, 89509, and ~~434 1/2 Muran Street, Reno, Nevada, 89502-1816~~**, respectively, are the inventors of the invention "PASSIVATION OF SULFIDIC IRON-CONTAINING ROCK", for which an application for a Patent of the United States was filed May 6, 2004, Serial No. 10/842,007.

WHEREAS, **The Board of Regents of the University and Community College System of Nevada, on behalf of the University of Nevada, Reno** (herein called "ASSIGNEE"), an organization existing under the laws of the State of Nevada, having a principal place of business at **2601 Enterprise Road, Reno, Nevada, 89512**, is desirous of obtaining our entire right, title and interest in, to and under the said invention and the said application;

NOW, THEREFORE, in consideration of our contractual or other legal obligations to assign said subject matter and other good and valuable consideration the receipt of which is hereby acknowledged, we, the said ASSIGNORS, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, our entire right, title and interest in, to and under the said invention, and the said United States Application and all continuations and subsequent applications, including divisional applications thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority of the United States under the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND WE HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument;

AND WE HEREBY covenant and agree that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith;

AND WE HEREBY further covenant and agree that we will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all continuing and subsequent applications, including divisional, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.

WE HEREBY authorize our legal representative to add reference to the Serial No. and/or filing date of the above-referenced application to this Assignment.

IN TESTIMONY WHEREOF, we hereunto set our hands and seals the day and year set opposite our signatures.
