Assignor hereby authorizes Assignee to make applications for and to receive Letters Patent for said invention in any foreign countries in its own name.

Assignor requests that any and all patents for said invention be issued to said Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

Assignor agrees that, when requested, I will, without charge to said Assignee but at its expense, sign all papers and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said invention in any and all countries and for vesting title thereto in said Assignee, its successors, assigns and legal representatives or nominees.

Assignor authorizes and empowers the said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any applications for patent or other form of protection for said invention filed by it of them, the benefit of the right of priority provided by the International Convention of the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written authorization from me.

Assignor will, at any time, upon the request and at the expense of Assignee, execute any continuations, divisions, reissues, or any other additional applications for Letters Patent for said invention or any part or parts thereof, all of which applications and any Letters Patent issuing thereon are hereby assigned to Assignee, and do all lawful acts requisite for procuring the same therein, without further compensation, but at the expense of Assignee, its successors, assigns or other legal representatives.

Assignor hereby consents that copies of this Assignment shall be deemed a full legal and formal equivalent of any assignment, consents to file or like documents which may be required in any country for any purpose and more particularly in proof of the right of the said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.
