For good and valuable consideration, the receipt of which is hereby acknowledged, We, the undersigned, Scott Alan Burgess, of 1598 Burbank Road, Wooster, OH 44691, Jerry Albert Christensen, of 2873 Morning Hill Drive, Wooster, OH 44691, and Michael Allen Bohurjak, of 4741 MacKensey Circle, Medina, OH 44258, who have created a certain invention for which an application for United States Letters Patent has been

executed concurrently herewith  
 executed on  
 filed , 200 and assigned Application Serial No.

and is entitled

**PNEUMATICALLY TELESCOPING MAST HAVING LIGHTING AND DC OPERATED CONTROLS**

Do hereby sell, assign and transfer to The Will-Burt Company, a corporation of the State of Ohio, and having a place of business at 169 S. Main Street, P.O. Box 900, Orville, OH 44667-0900, its successors, assigns, and legal representatives, the full and exclusive right to said invention and said application and to any and all inventions described in said application for the United States and its territorial possessions and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions; and in and to any and all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in the United States and its territorial possessions, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions agreements, acts, and treaties;

Agree that The Will-Burt Company, hereinafter referred to as Assignee, may apply for and receive Letters Patent for said invention and said inventions, hereinafter referred to as said invention, in its own name, in the United States and its territorial possessions; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignee, its successors, assigns and legal representatives, the undersigned will execute all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignee, its successors, assigns or legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignee, its successors, assigns, or legal representatives; and

Covenant with said Assignee, its successors, assigns, or legal representatives that no assignment, grant mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
