### ASSIGNMENT

WHEREAS, I, Mark A. Mortensen, have invented certain new and useful improvements in a removable, snap-on saddle and tap for irrigation pipes for which an application for United States Letters Patent entitled REMOVABLE, SNAP-ON SADDLE AND TAP FOR IRRIGATION PIPES was executed concurrently herewith by me, which application can be further identified by Dorr, Carson, Sloan & Birney, P.C. Docket No. 2160/9; and,

WHEREAS, Duane D. Robertson, an individual whose mailing address is 122 Loveland Way, Golden, Colorado 80401, is desirous of acquiring the entire right, title, and interest in and to said invention and in and to any Letters Patent that may be granted therefor in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) paid to me, the receipt thereof is hereby acknowledged, and other good and valuable consideration, I do sell, assign, and transfer to Duane D. Robertson., his legal representatives and assigns all right, title and interest in and to said invention in the United States and its territorial possessions and in all foreign countries and in all provisional, non-provisional, division, continuation, continuation-in-part, substitution, reexamination, reissue, and any other extension applications thereof and all Letters Patent that may issue thereon.

I hereby authorize and request the Patent and Trademark Office officials in the United States and any and all foreign countries to issue any and all of said Letters Patents when granted to Duane D. Robertson as the assignee of the entire right, title, and interest in and to the same, for the use and enjoyment Duane D. Robertson, his legal representatives and assigns.

Further, I agree that I will communicate to Duane D. Robertson or his representatives all facts known to me in regard to said invention, and testify in any legal proceedings, sign all lawful papers, execute all provisional, non-provisional, division, continuation, continuation-in-part, substitution, reissue, reexamination, and any other extension applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to Duane D. Robertson, make all rightful oaths, and generally do everything

necessary or desirable to aid Duane D. Robertson, his legal representatives and assigns to obtain and enforce proper protection for said invention in the United States and in any foreign countries.

I hereby covenant that I have full right to convey the rights, titles, and interests assigned herein and that I have not executed and will not execute any agreement in conflict with this Assignment.
