its successors, assigns and legal representatives (hereinafter called the "Assignee"), the entire right, title, and  
interest, for all countries, in and to certain inventions relating to  
**TONER CONTAINER MANUFACTURING METHOD AND**  
**TONER CONTAINER**

and described in an application for Letters Patent of the United States executed by us, and filed on **8/APR/2004**  
as **Application No. 10/820,112**, and in and to said application, and all divisions, renewals and continuations  
thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues and extensions  
thereof, and all applications for Letters Patent or other grants of protection of proprietary rights including, but not  
limited to, inventor's certificate, utility model, utility certificate, patent of importation, registration of patent and  
industrial design registration which may be filed, and which may be granted, upon said inventions in any countries  
or regions foreign to the United States, and all reissues, renewals and extensions thereof; and we hereby authorize  
and request the Commissioner for Patents and Trademarks of the United States, and all officials of countries or  
regions foreign to the United States having authority to do so, to issue all such Letters Patent or other grants  
of protection upon said inventions to the Assignee or to such nominees as it may designate.

AND we authorize and empower the said Assignee or nominees to invoke and claim for any application for  
such Letters Patent or other grants of protection for said inventions filed by it or them, the benefit of the right of  
priority provided by the international Convention for the Protection of Industrial Property, as amended, or by a  
convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further  
written or oral authorization from us.

AND we hereby consent that a copy of this assignment shall be deemed a full and formal equivalent of any  
assignment, consent to file or like document which may be required in any country or region for any purpose and  
more particularly in proof of the right of the said Assignee or nominees to claim the aforesaid benefit of the right of  
priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any  
convention which may henceforth be substituted for it.

AND we hereby covenant that we have the full right to convey the entire right, title and interest herein  
assigned and that we have not executed and will not execute any agreement in conflict herewith.

AND we hereby covenant and agree that we will communicate to said Assignee or nominees all facts  
known to us pertaining to said inventions, and testify in all legal proceedings, sign all lawful papers, execute all  
divisional, continuing and reissue applications, make all rightful oaths and declarations and in general perform all  
lawful acts necessary or proper to aid said Assignee or nominees in obtaining, maintaining, and enforcing all lawful  
patent or other grants of protection of said inventions in any and all countries and regions.
