ASSIGNMENT OF THE INVENTION

WHEREAS, I, TIMOTHY A. RINGEISEN, residing in the city of Exton of the Commonwealth of Pennsylvania, have made a certain new and useful invention in a COMPLIANT OSTEOSYNTHESIS FIXATION PLATE, and having applied for Letters Patent of the United States based thereon, the application which may be identified in the United States Patent and Trademark Office by serial no. 10/940117 filed September 14, 2004;

WHEREAS, I, TIMOTHY A. RINGEISEN am an employee of KENSEY NASH CORPORATION;

WHEREAS KENSEY NASH CORPORATION, a corporation organized and existing under the laws of the State of Delaware and having an office and place of business at Marsh Creek Corporate Center, 55 E. Uwchlan Avenue, Suite 204, Exton, Pennsylvania 19341, is desirous of acquiring the entire right, title and interest in and to the invention and all improvements thereon which may be made, conceived or acquired by me during the course of my association with KENSEY NASH CORPORATION, and for one year thereafter, in and throughout the United States, its territories and all countries foreign thereto, and in and to said application for Letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon.

NOW, THEREFORE, IN CONSIDERATION of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I, TIMOTHY A. RINGEISEN by these presents do sell, assign and transfer unto the said KENSEY NASH CORPORATION my entire right, title and interest in and throughout the United State, its territories and all countries foreign thereto in and to said invention and any improvement thereon which may be made, conceived or acquired by us during the course of my association with the said KENSEY NASH CORPORATION, and for one year thereafter, in and to said application for Letters Patent and any and all Letters Patent and extensions thereof of the United States and countries foreign thereto which have been or

may be granted on said invention or any part thereof, or any improvements thereon or on said application, or any divisional, continuing, renewal, reissue, or other application and all international priority rights associated therewith, based in whole or in part thereon, or based upon said invention, or any improvements thereon;

TO BE HELD AND ENJOYED by the said KENSEY NASH CORPORATION and its legal representatives and assigns to the full ends of the terms for which said Letters Patent, or any of them, have been granted as fully and entirely as the same would have been held and enjoyed by myself had no sale and assignment of said interest been made; and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patent which may be granted upon the said invention above referred to, or any of them, or upon said invention or any part thereof, or upon any improvements thereon which may be made, conceived or acquired by me during the course of my association with the said company and for one year thereafter, to said KENSEY NASH CORPORATION, and I hereby agree for myself, my heirs, executors and administrators, to execute without further consideration, any further legal documents and any further assignments and any release, reissues, renewals or other applications for Letters Patent that may be deemed necessary by the Assignee herein named, fully to secure to the said Assignee its interest as aforesaid in and to said invention or any part thereof or any improvements thereon, and in and to said several Letters Patent, or any of them.

I do hereby covenant for myself and my legal representatives, and agree with KENSEY NASH CORPORATION, and its legal representatives, that I have granted no license to make or sell the said invention, that prior to the execution of this deed my right, title and interest in the said invention has not been encumbered, that I then had good right and title in and to the invention and that I have not executed and will not execute any instrument in conflict therewith.

I hereby authorize Jeffrey C. Kelly, Esq., to insert in the Certificate provided for that purpose the serial number and filing date of the application filed or about to be filed.

IN WITNESS WHEREOF, I hereunto affixed my hand and seal this 30 day of
March, 2005.

Timothy A. Ringeisen
TIMOTHY A. RINGEISEN

COMMONWEALTH OF PENNSYLVANIA:

COUNTY OF CHESTER :

Before me personally appeared said TIMOTHY A. RINGEISEN and acknowledge
and foregoing instrument to be his free act and deed this 30th day of
March, 2005.

(SEAL)
Notary Public

[Signature]

My Commission expires:

CERTIFICATE

This is to certify that the application above referred to was filed in the United States Patent and Trademark Office on the 14th day of September, 2004, and assigned Serial No. 10/940117.

IN WITNESS WHEREOF, I hereunto affix my hand and seal this 18th day of April, 2005.

JEFFREY C. KELLY
