## ASSIGNMENT

WHEREAS, I, **Mark W. KROLL** have invented certain new and useful inventions and improvements in **Altitude Adjustment Method and Apparatus**, for which an application for Letters Patent of the United States is being made, said application having been filed with the United States Patent and Trademark Office on 11/22/1999 and identified by Serial No.:10/435,275.

WHEREAS, **the Kroll Family Trust** a trust organized and existing under the laws of the state of California and having its principal offices at 493 Sinaloa Road, Simi Valley, CA 93065, (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention, said application and any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for and in consideration of certain good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned and transferred, and by this Assignment do hereby sell, assign and transfer unto the Assignee, its successors and assigns, my entire right, title and interest in and to any and all inventions and improvements disclosed in the aforesaid application, and in and to said application, all divisions, continuations or renewals thereof, and any and all Letters Patent, both foreign and domestic, that issue therefrom, including all reissues or extensions of such Letters Patent and including, all of my rights under the International Convention, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned Assignee in accordance herewith.

I hereby authorize the Assignee, its successors and assigns, or anyone it may properly designate, to insert in this Assignment the filing date and serial number of said application when ascertained.

I hereby further authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said application and/or otherwise take advantage of the provisions of the International Convention.

I hereby covenant and agree with the Assignee, its successors and assigns, that I will not execute in writing or do any act whatsoever conflicting with this Assignment, and that we, or my executors or administrators, will at any time upon request, without further or additional consideration, but at the expense of Assignee, its successors and assigns, execute such additional writings and do such additional acts as Assignee, its successors and assigns, may deem necessary or desirable to perfect Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisions, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result of such applications or Letters Patent, by giving testimony in any proceedings or transactions involving such applications or Letters Patent.

I hereby further covenant and agree with the Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that the full right and title to convey the same as herein expressed is currently possessed by me.

IN WITNESS WHEREOF, I have hereunto set my hand as dated below.
