For good and valuable consideration, of which I acknowledge receipt, I

Jeffrey C. Andle of Westbrook, ME

hereby sell, assign, and transfer to BIODÉ, Inc., (a Maine corporation) having an address at 100 Larrabee Rd., Westbrook, ME 04092, its successors and assigns, the entire right, title and interest throughout the world in the invention entitled "Temperature Compensated, High Efficiency, Controlled Input Impedance Diode Detector" for which an application for a United States Patent was executed on the date or dates indicated below, and any and all patent applications and patents of every country for said invention, including divisions, continuing applications, re-examinations, reissues, and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention and to claim all rights of priority without further authorization from us; I agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and I request any official whose duty it is to issue patents, to issue any and all patents granted for said invention to the above-named assignee, its successors and assigns.

I signed the declaration for the above identified patent application on September 30, 2004.

Date: September 30, 2004
