ASSIGNMENT OF PATENTS

ASSIGNMENT OF PATENTS dated as of January 25, 2005 from BECKETT PUBLICATIONS, INC., a Texas corporation ("Seller"), as Assignor, to BECKETT MEDIA LP, a Delaware limited partnership, located at 15850 Dallas Parkway, Dallas, Texas 75248 ("Purchaser"), as Assignee.

WHEREAS, Assignor is the owner of the United States patents and patent applications set forth in Schedule 1 attached hereto and made a part hereof (the listed patents and patent applications collectively referred to herein as the "Patents");

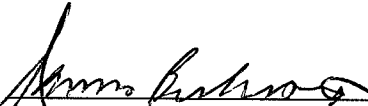

WHEREAS, Assignee has acquired all right, title, and interest in the Patents, the inventions described therein, all Letters Patent and invention registrations that may be granted for the Patents and said inventions in the United States and throughout the world, and all other patents, patent applications and invention registrations owned by Assignor pursuant to that certain asset purchase agreement dated as of January 10, 2005;

WHEREAS, Assignee desires to have a recordable document evidencing title to the Patents and said inventions;

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are thereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee, the entire right, title, and interest in and to the Patents, the inventions described therein, all Letters Patent and invention registrations that may be granted for the Patents and said inventions in the United States and throughout the world, all other patents, patent applications and invention registrations owned by Assignor, and any and all foreigns, divisions, reissues, continuations and extensions thereof, and all rights of Assignor associated therewith, including the right to sue for and collect damages by reason of past infringements of the Patents. Assignor further assigns to Assignee the right to claim priority or other rights deriving from any patent applications by virtue of international convention, treaty, or otherwise. The Patents, said inventions and all other patents, patent applications and invention registrations assigned hereby to be held and enjoyed by Assignee for its use and benefit and by its successors and assigns for their use and benefit as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment, transfer and sale not been made.

IN WITNESS WHEREOF, the undersigned has caused this Assignment of Patents to be executed at Dallas, Texas, as of the date first set forth above.
