ASSIGNMENT

WHEREAS, James W. Meador, of 709 Country Lane, Houston, Texas 77024, hereinafter referred to as Assignor, has with Richard B. Finger, No. 7 Pinehill Lane, Houston, Texas 77019, made a new and useful invention in Urine Collection and Disposal System, for which they have filed a provisional patent application serial no. 60/510,820 on October 14, 2003, and which they are in the process of filing a nonprovisional patent application contemporaneously herewith (said provisional and said nonprovisional patent applications hereinafter being called the "Patent Applications"); and

WHEREAS, said Richard B. Finger, hereinafter referred to as Assignee, desires to acquire all of the entire right, title, and interest in, to and under said invention disclosed, described and claimed or intended so to be in said Patent Applications, and in, to and under said Patent Applications, and in, to and under any and all Letters Patent, United States and foreign, which may be obtained therefor and thereon;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar (\$1.00) and other good, valuable and sufficient considerations to Assignors in hand paid, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto Assignee, all of Assignor's entire right, title, and interest in, to and under said invention disclosed, described and claimed or intended so to be in said Patent Applications, and any and all other applications thereon and arising therefrom, including any and all divisions and continuations thereof, and any and all patents to be issued and obtained therefor and thereon, United States and foreign, including all reissues and extensions thereof.

Assignor agrees to sign and execute any and all other papers necessary or desirable for the procurement of Letters Patent on said invention in this and all foreign countries for the use of Assignee.
