a corporation organized and existing by virtue of the laws of the State of Delaware, and having an office and place of business in the City of Carlsbad, County of San Diego, State of California, (hereinafter referred to as "Assignee"), my entire right, title and interest in and to said application and in and to said invention in and for all countries, and all patents which may be granted therefor, and all divisions, reissues, continuations and extensions thereof, including the right to claim for the foreign patents the benefit of the International Convention.

And I hereby covenant and agree that I will, at any time upon request, without further compensation, execute and deliver any and all lawful papers or instruments that may be necessary or desirable to secure to said Assignee the full enjoyment of the rights and properties herein conveyed or intended to be conveyed; execute all divisional, continuing and reissue applications, make all rightful oaths, testify in any legal proceeding and communicate to said Assignee, or its representatives any facts known to me respecting said invention, and generally do everything possible to aid said Assignee, its successors, assigns and nominees to obtain and enforce proper patent protection for said invention in all countries.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal this 24 day of October 2003.
