**DECLARATION FOR PATENT APPLICATION
WITH POWER OF ATTORNEY**

Docket: 14952 B
(CFP-2512)

As below named inventor, I hereby declare that my residence, post office address and citizenship are as stated below next to my name; I believe that I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled POST STRUCTURE

the specification of which (check one) is attached hereto; was filed on _____ as Application Serial No. _____ and was amended on _____ (or amended through, if applicable). I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment(s) referred to above. I acknowledge the duty to disclose information which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a). I hereby claim foreign priority benefits under Title 35, United States Code, §119 of any foreign application(s) for patent or inventor's certificate having a filing date before that of the application on which priority is claimed.

(1) In and to an invention entitled _____

as described in United States Patent Application Serial No. _____,
 filed on _____; which issued into United States Letters
 Patent No. _____ on _____, including
 the right to recover for past infringements thereof.

(2) In and to said Application for Letters Patent and said Letters Patent No.
 _____ which issued _____ on said Application
 and any and all other applications for letters patent of the United States of America
 (including renewal, divisional, continuation, continuation-in-part, substitute and
 reissue applications) based upon said invention, including extensions and reissues, if
 any, to the full ends of the terms for which said Letters Patent of the United States has
 been granted.

(3) In and to all applications for said invention, now or hereafter filed in
 countries foreign to the United States of America, and in and to any and all letters
 patent granted on said applications to the full ends of the terms for which said Letters
 Patent may be granted.

Assignor further covenants and agrees that it has not executed and will not
 execute any documents in conflict herewith, and it further agrees that it will at any
 time upon request by Assignees execute and deliver any and all papers that may be
 necessary or desirable to perfect title to said invention, Application for Letters Patent,
 and the Letters Patent to Assignees, and if Assignees desires to file one or more
 divisional, continuation, continuation-in-part, or substitute applications of or for said
 Letters Patent of the United States of America, or to secure a reissue or extension of
 such Letters Patent, or to file a disclaimer relating thereto, Assignors will upon
 request by Assignees sign all papers, make all rightful oaths and do all lawful acts
 requisite of it for such reissue or extension, or the procuring thereof, and for the filing
 of such disclaimer, but at the expense of Assignees, its successors and/or assigns.

Assignor further agrees that it will at any time upon request by Assignee communicate to Assignee any facts relating to said invention and Letters Patent or the history thereof, know to Assignor and cause its agent(s) to testify to the same in any interference or any litigation when requested so to do by Assignee.

And the Commissioner of Patents and Trademarks of the United States of America and comparable officials in countries foreign to the United States of America to record and/or issue said Letters Patent, and the like to Assignee as assignee of Assignor's entire right, title and interest therein.

Signed at JANGHUA SHIEN, TAIWAN this 19th day
of Oct. 2004.
