ASSIGNMENT OF REGISTERED PATENTS

Pursuant to that certain Asset Purchase Agreement dated as of October 15, 2004, by and among Specialty Products & Services, Inc., a California corporation trading and doing business under the fictitious name "SPS International" ("Seller"), Suntuf, Inc., an Illinois corporation ("Assignee"), Carl H. Schultz and Stanley C. Schultz, Seller and Hans F. Schultz, an adult individual ("Schultz") (Seller and Schultz shall be collectively referred to herein as "Assignors"), who collectively own all of the right, title and interest in and to the Letters Patent, patent applications and patent disclosures listed on Schedule "A" attached hereto, together with all reissuances, continuations (in whole or in part), revisions and reexaminations thereof (collectively, the "Patents"), for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration in hand paid by Assignee, the receipt and sufficiency of which are hereby acknowledged, do hereby sell, assign, transfer and convey unto Assignee all of Assignors' right, title and interest in and to the Patents and the inventions claimed therein (collectively, the "Patent Rights"), together with the right to sue and to recover for past infringements of the Patent Rights, the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors and assigns as fully and entirely as the same would have been held and enjoyed by the Assignors had this Assignment not been made, including herein any licenses or authorizations to use the Patent Rights and the right to sue and recover for past infringements thereof.

Upon the request of Assignee and without further consideration, Assignors agree to execute and provide promptly after the execution hereof, such further instruments, documents or assignments as may be necessary to effectuate the purposes of this Assignment and to consolidate, vest and record in Assignee the full ownership of the Patent Rights and the right to recover for past infringements, and any licenses or authorizations to use the Patent Rights granted by Assignors (or their predecessors) heretofore.

In furtherance of the foregoing, Assignors each irrevocably appoint Elliott J. Stein, Esq. as their attorney-in-fact for the limited purpose of executing and delivering any and all documents required to be filed anywhere in the world to effectuate, record or perfect the assignment of the Patents and the Patent Rights, any local variant thereof, any continuation or extension thereof, any application with regard thereto or to respond to any office action, inquiry or condition to assignment that may arise in connection therewith.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

This Assignment of Registered Patents may be executed in two (2) or more counterparts, each of which will be deemed to be an original hereof and all of which, when taken together, will be deemed to constitute one and the same instrument.
