Assignment

For good and valuable consideration, the receipt of which is hereby acknowledged, I, Daniel G. Lizak, the undersigned ("Assignor"):

Hereby sell, assign and transfer to **Nissan Technical Center North America, Inc.**,

a corporation of the State of Michigan, having a place of business at 39001 Sunrise Drive, Farmington Hills, Michigan 48331 ("Assignee"), its successors, assigns and legal representatives, Assignor's entire right, title and interest for the United States and all foreign countries, in and to any and all inventions or improvements (altogether "Inventions") which are disclosed in or related to the application for United States Letters Patent, which has been executed by the undersigned concurrently herewith and is entitled:

PILLAR TRIM COMPONENT

(Attorney's Docket No.: 215872-93613,

and in and to said application and all provisional, nonprovisional, divisional, continuing, substitute, renewal, reissue, and all other applications for Patent or Letters Patent which have been or which shall be filed in the United States and all foreign countries on any of said Inventions; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said Inventions;

Agree that said Assignee may apply for and receive Letters Patent and Patents for said Inventions in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all provisional, nonprovisional, divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said Inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives, all facts known to the undersigned relating to said Inventions and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in the securing and maintaining patent protection for said Inventions, in said Assignee, its successors, assigns and legal representatives worldwide; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
